Bucks County Council Pension Credit Surgeries

From September 2024 the previous “universal” Winter Fuel allowance will only be available to people over the state pension age (currently 66) who are receiving Pension Credit (or a limited number of other benefits). They predict that up to 5,000 Buckinghamshire pensioners who are eligible are not claiming and could be missing out on benefits up to £3,900 per year.

If you're struggling to complete your Pension Credit application or have any questions, free surgeries will be run from libraries and other locations across the county between now and 21st December, with advisors available to answer questions and guide people through the process of applying for Pension Credit.

You'll need to bring the information listed below to complete your application (if you have a partner, you will also need their information):

- National Insurance number
- Information about any income, savings and investments you have
- Bank account details

Sessions will be held at Buckingham Library between 10am to 12pm weekly on Tuesdays from the 5th of November to the 3rd of December.

CHURCH OPENING

Our lovely church is now open daily from 10am to 5pm, for quiet reflection and private prayer, or just for a wander around the church and churchyard.

FOOD BANK

The kindness of villagers continues to amaze us. Our Harvest collection resulted in 11 bags of food being delivered to the Food Bank, so thank you to everyone who helped us. Our boxes are still in the church porch and all donations of non-perishable goods are always extremely welcome. With Christmas fast approaching the food bank is more stretched than ever. Please help us to help those around us who rely on this valuable resource. Every donation really does help local families.

Item 120 – Cllr Hornsey has removed the tree debris at Gorrell Lane.

130. Buckinghamshire Councillors' Reports

Apologies received from all three councillors.

Cllr Stutchbury provided a written report in his absence. It was noted that there has been outline approval for the three houses at Buckingham Street.

131. Proposed Development (Tredwell site)

Paul Fincken and Jake Collinge from Astonhill Property Consultants provided an update on the recent consultation meeting with the village.

The main issues that were noted;

1. Road access.
2. Flood alleviation measures and their effectiveness.
3. The availability of affordable housing, smaller housing and bungalows.

A revised plan has been developed to address the above, the following was noted.

1. Highways have confirmed agreement in principle to an access road off Sandpit Hill
2. The development is lower density than usual for Buckinghamshire Council.
3. More public open space is provided.
4. Linked to existing footpaths and footways in the village, maintained pedestrian and cycle access off Barton Road.
5. 65% are of modest size with 1-3 bedrooms and affordable at 30%.
6. Capacity issues around waste and utilities are being considered to ensure a sufficient supply of electricity, water, sewerage.
7. Concern regarding educational provision for a larger cohort in the village.

Tingewick Towards 2030 will be sent to the agents.

Action: Cllr Lightfoot

Discussion and Next Steps:

1. Flood work – Buckinghamshire Council has now provided all the flooding data and modeling to the agents; this was delayed and was subject to a Freedom of Information request. It was asked whether this includes all the data since December 2020 as the previous data does not address the current climate issues. This will be checked by the agents.
2. Traffic Measures - Survey showed that there was speeding on Sandpit Hill. There has been discussion with Highways regarding traffic calming. It has been proposed that the 30mph sign be moved further up and additional traffic calming measures proposed. BC have issues with this. It was noted that this was sensible but further work will need to be undertaken.
3. Modeling is being undertaken regarding capacity and traffic movements at key junctions.

The aim is to submit an outline planning application by the end of the year.

It was noted that since the project was started there is now a new National Planning Policy Framework (NPPF) which is subject to consultation, the results being due by the end of the year. This contains significant changes to the current NPPF to meet the Government's stated ambition of building 1.5 million new homes (300,000 per year). There is concern that this could result in the village receiving more speculative planning enquiries that may not provide the flood alleviation of the current proposal.

132. Planning

- a. 24/02724/APP-TINGEWICK. Land at Stowe View, Tingewick. Replacement of existing car parking. **No objections**
- b. 24/02510/APP-TINGEWICK. Noble Foods Ltd, Finmere Mill, Barton Road, Tingewick. Erection of two steel silos and associated grain intake machine. **No objections.**
