Buckinghamshire County Council Elections

It's election time again! On the 1st of May 2025 there is an election for Councillors representing our area on Bucks County Council.

If you haven't already, there's still time to register to vote but you'll need to do so by 11:59pm on Friday the 11th of April. You'll need your National Insurance number to quickly register online but you can still proceed if you don't have it, you'll just need to provide a little bit more information.

To register go to the [GOV UK Register to vote website](#) and click on the "Start Now" button.

If you're not sure if you're already registered to vote, or have questions relating to proxy/postal votes you can contact the [Bucks County Council Electoral Services Team](#).

Remember that under new rules you will need to take valid ID with you when voting in person and you can view [accepted forms of ID here](#). If you don't have a valid form of ID, you can apply for a [Voter Authority Certificate](#) – you'll need to have registered to vote first though.

In Tingewick, the polling station is in The Village Hall and will be operating from 7am to 10pm. If you're located elsewhere you can find your polling station on the "[Where Do I Vote](#)" website.

An Update From Callum Anderson

Spring has sprung! Hasn't it been so nice to see the sun again? Whilst there is still a lot to do, green shoots of opportunity and improvement are starting to appear nationally.

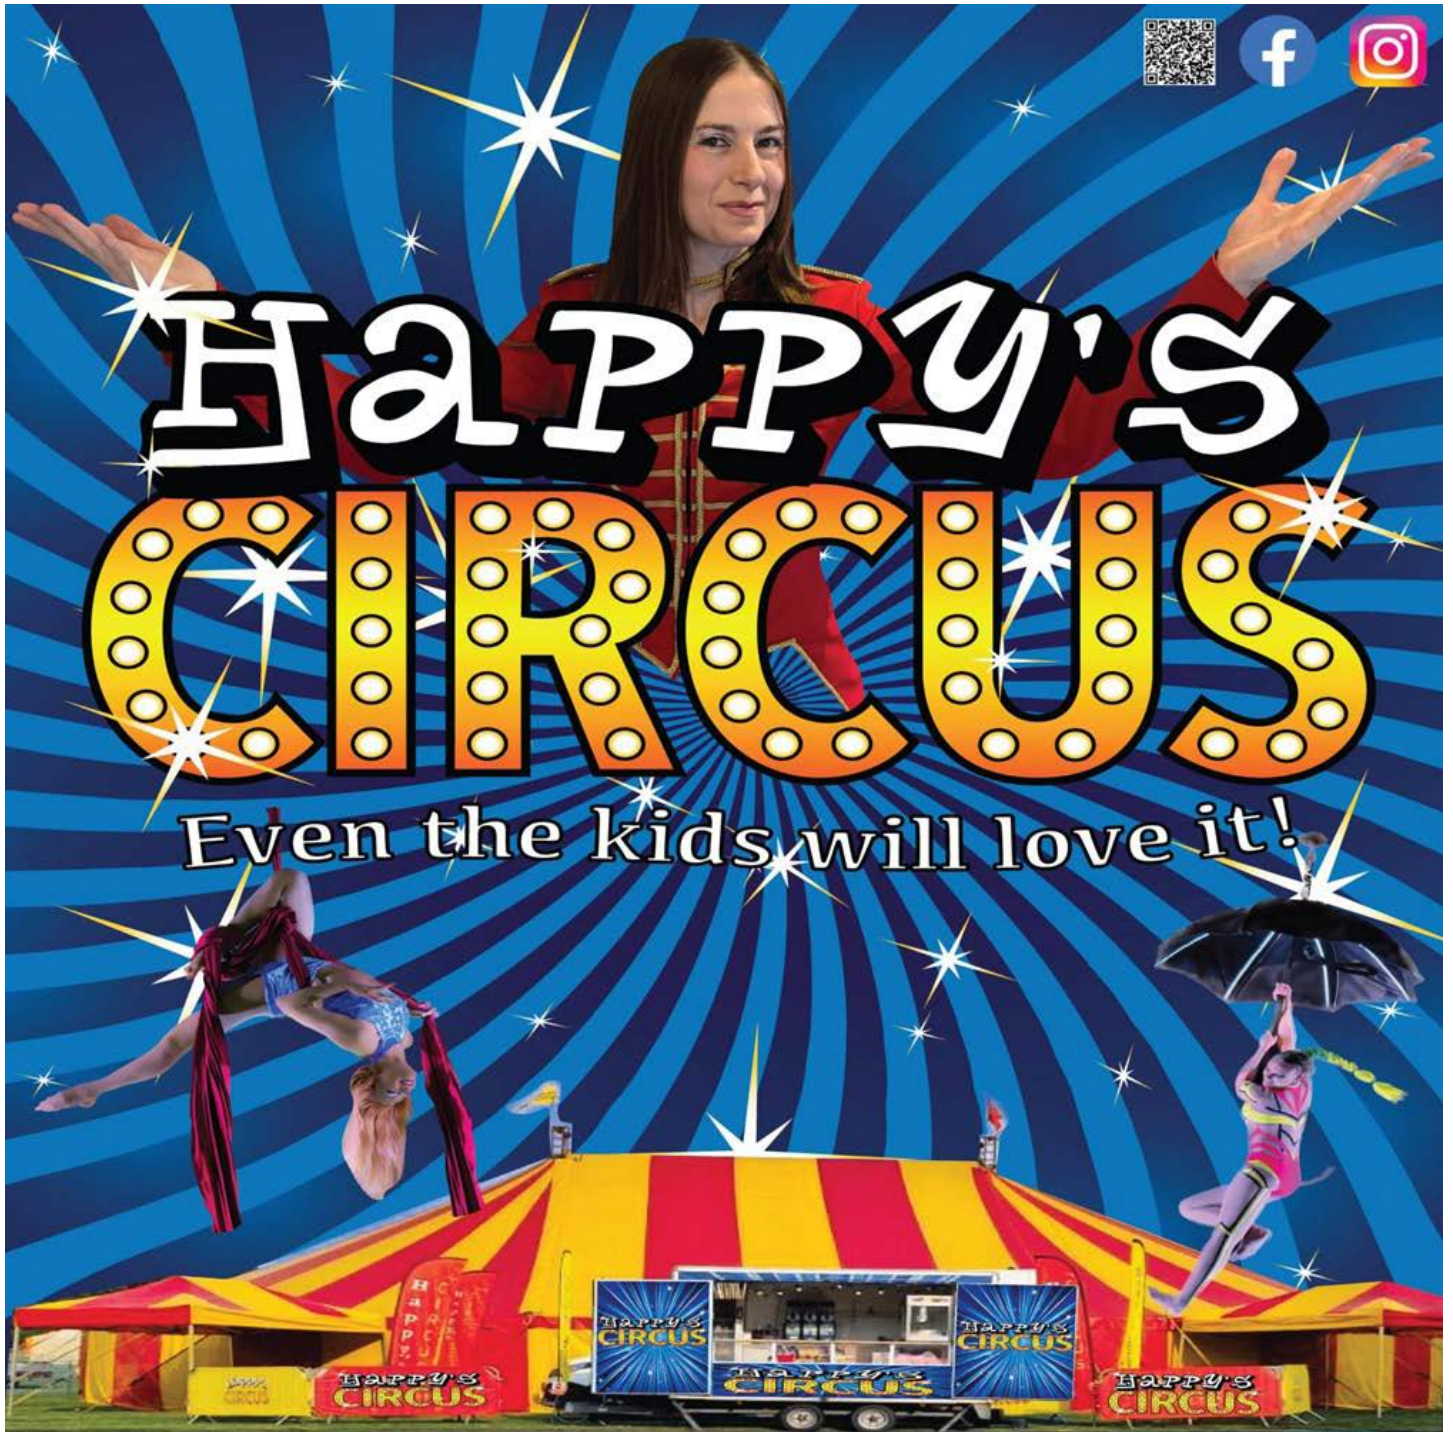

We're working hard to get this country back on track, and I am sure readers will share my delight that NHS waiting lists are down for the fifth month in a row. We have also taken the bold step to dismantle NHS England to make our health service more streamlined and efficient. Elsewhere we are focusing on making the state work better for everyone, whether that is through welfare reform, changing planning rules or digitising government services. We are working hard to make people's lives easier.

Back in Bucks I have been out and about across the county visiting individuals, organisations, and businesses, so that I can take back to Westminster important local insights. It was particularly fantastic to visit the brand new Winslow Station – which is due to open this year. East West Rail and the announcement of the Oxford Cambridge Growth Corridor are both going to do amazing thing for our economy.

If there is anything I can help you with, do not hesitate to get in touch (callum.anderson.mp@parliament.uk). Here's hoping for a glorious spring!

News from Water Stratford Parish Meeting

On 28th February we dusted off the dark winter nights and held our first pub evening of the year. It was lovely to see our neighbours again after what seemed like an inordinately long time since the Christmas celebrations and to catch up on local news.

We were very pleased to welcome Shirley and Cyril and hope that they will enjoy living in our beautiful village.

As always, kind donations ensured that we able to enjoy a drink or two (or more...) accompanied by Rob's 'interesting' music selection.

Please keep a look out for our next get together and do come along, we have quite a lot of donated wine to finish off!

We have worked a leading luxury long haul tour operators and have been lucky enough to have experienced first-hand the most amazing destinations across the globe. This means our experience and training helps guide and advise you on your holiday plans.

Our ethos for setting up our own business as The Travel Directors was that we felt there is a genuine gap in the market for a local Travel Company that not only has a wealth of knowledge, a love of travel but also a genuine passion for great customer service.

We can offer you everything from Luxury Long Haul, Worldwide Escorted Tours, Sporting Events & Golfing Holidays, City Breaks, Cruise, Weddings, from the Americas, Europe right across to the Far East and Down Under to Australia

Why would you risk your money booking online, trawling through endless websites where you cannot speak to a person and are just a number or a seat on a plane. Even with a High Street agency, you will see directional selling, promoting their own products rather than what is best for you. We are truly independent but with the financial backing and buying power of the Mid-Counties Co-operative meaning that we have access to the best rates from only trusted suppliers.
