

TINGEWICK AND DISTRICT NEWS

ISSUE 284 - AUGUST 2018

Your FREE Magazine

The weather was kind the to fête this year and there was a fantastic turnout of stall holders, classic cars and members of the public. The Fête committee hope you enjoyed the birds of prey, dog show, bands and beer (of course!) - see the centre pages for more information.

On the 25th August is the 94th Tingewick & Water Stratford Horticultural show. If you're thinking of exhibiting but aren't sure what it involves then we've put together a handy step-by-step guide on page 18 so you know what to do - and there's plenty of time to get your entries in!

And finally, you might have seen that the ducks have a rather fancy new home down at the pond, unfortunately they're in need of funds and feed, please see page 20 for how you can help out.

PIMMS & HYMNS

Thank you to those who left the tennis and the World Cup to come to Pimms & Hymns! About 18 of us sat outside on a wonderful summer's evening, to sing some lovely hymns accompanied by Liz on her guitar, and to hear readings relating to the Earth, Air, Fire and Water. Friends together, outside in the sun, chat, a drink, some nibbles – perfect!

Tingewick FC

We enjoyed an end of season BBQ at The Rec at the end of June with the weather being kind to us. The boys enjoyed a game of 'Football rounders' along with the parents, so fun and sun was had by all.

We will continue to train as and when we can over the summer depending on numbers available so you may see us up at The Rec on a Thursday evening.

We are hopeful we will have a new U8 team registered and ready to play for January 2019 and an U7 team starting up in Sept 2019, so watch this space for further news.

We have the Tingewick FC Pub Quiz on 1st Sept so please do come and join us with the Countdown Champion of 2018 hosting the event for us.

TINGEWICK WALKERS

This month's 'Mystery Tour' was entitled "Cessna's & Cereals".

On one of the hottest days we have walked on, we made our way to Hinton-in-the-Hedges and parked at The Crewe Arms.

The walk took us through the cereal fields around the airfield. So, we did indeed walk through Wheat, Barley and Oat fields (as well as Rape Seed). As the promised aircraft circled overhead, fun was had identifying the multiple varieties of butterfly we encountered. Just over halfway around the walk, we were treated to the spectacle of five parachutists appearing in the sky above us.

On such a hot day, hats and water bottles were the important accessories but it was lovely to reach the cool of the pub for our meal and some very cold drinks!

Gardeners Swap Day - 1.30pm to 4pm - Saturday 22nd September 2017

Following the success of last year's 'Gardeners Swap Day!' we're holding another event this year.

So start saving those surplus packets of seeds, plant cuttings and divisions and any other horticultural items that you no longer require.

Last year we had a lovely selection of plants and hundreds of seeds to choose from, so you never know what you might find. Jackie and Sally will also be bringing along their plant stall so there'll also be a lovely selection of plants to

buy for charity. Location: Tingewick Village Hall Tea, coffee and homemade cakes also available. For more information contact Jane Bradford (01280 848392) for more details

A Big “Thank You” From

The Fête Committee would like to thank all of the volunteers, stall holders, classic car owners, bands, beer, event & raffle sponsors and those who came along for making the 2018 Tingewick Fête & Beer Festival a fantastic success.

The Fête Committee

We'd love to know how the stall holders got on, what those who attended thought we did well and what we could improve and if you have any suggestions for things you'd like to see next year.

Contact us with your comments via the website tingewickfete.co.uk or speak to a member of the committee

Bambury & Co.
chartered accountants

Do you have a will? Have your circumstances changed since your will was written?

If the answer is "No" or "Yes" respectively, then you need to come and talk to us.

For over thirty years we have written wills and advised on inheritance tax planning and trust tax.

Our fixed fee for writing a will is agreed with you at the outset. We also prepare General Powers of Attorney, Advance Directives, etc., if you need our expert services.

Bambury & Co was one of the first firms of chartered accountants in the country authorised to carry out non-contentious probate work. We can either act as the executor of your will or handle the probate process for you if you are the executor. We see ourselves as a one stop shop for tax advice, will planning and probate work so you always know with whom you are dealing.

Our fixed probate fees are agreed with you at the outset and are unbeatable because our low overheads mean we pass these savings to you.

Remember.....NOT ALL ACCOUNTANTS ARE THE SAME!

“Quack Quack!”

Where’s our pond? Loving the new house (we call it ‘The Wing’) that Pete made for us but what’s happened to the moat? We’re doing very well but we’re looking forward to this weather breaking and the rains coming back. We know what you humans will be saying then; nice weather for ducks!”

Two more broods have hatched since the last issue. We have a family of 9 on our driveway and they’re doing very well. One egg seemed to have been kicked out of the nest by the mother and the duckling was struggling to crack out. We let it try by itself for a couple of hours and then we opened it up; it couldn’t stand so we shoved it as close to the mother and the other ducklings as we could, named it ‘Hope’ and hoped for the best. By morning it was as fluffy and chirpy as its brothers and sisters and had been fully accepted into the family. Hope lives.

Nick (the pest control professional who lives nearby and is an expert animal and duck keeper) is looking after another brood at his house as Sue is kindly repairing the other two Tingewick duck hutches; they’re beautifully made but very old and the floors are falling out!

There is a fantastic opportunity to join the Duck Squad – no experience necessary. Eva is stepping down from Friday morning duck feeding in September. She’s been doing it for over a year and I’m sure the ducks are really grateful. Thanks Eva! Let us know if you’d like to take her place. Takes 5 minutes before 8.30am in the morning just to chuck them a scoop of grain and wish them a good day.

The Duck Squad ran out of money £60 ago. We need money for the grain we feed them every day throughout the year and the straw and chick crumb we use whilst looking after the ducklings. We’d appreciate it if you would donate some money (or the provisions we need). Please contact the Duck Squad or drop an envelope with your donation in to ‘The Old Thatch’ on Main Street.

As always you may contact the Duck Squad on 07875 603 008 or Nick on 07931 307 595 if you have eggs or ducklings in your garden. Duck Squad members also check the ‘Tingewick Life’ Facebook page so you could post there. The sooner the Duck Squad know about eggs and ducklings the better. We’re much more likely to be able to catch them if they’re still in a garden and we get chance to come to collect them.

Courier Fraud

The National Fraud Intelligence Bureau has identified an increasing number of reports submitted to Action Fraud from the public concerning courier fraud.

Fraudsters are contacting victims by telephone and purporting to be a police officer or bank official. To substantiate this claim, the caller might be able to confirm some easily obtainable basic details about the victim such as their full name and address. They may also offer a telephone number for the victim to call to check that they are genuine; this number is not genuine and simply redirects to the fraudster who pretends to be a different person. After some trust has been established, the fraudster will then, for example, suggest;

- Some money has been removed from a victim's bank account and staff at their local bank branch are responsible.
- Suspects have already been arrested but the "police" need money for evidence.
- A business such as a jewellers or currency exchange is operating fraudulently and they require assistance to help secure evidence.

Victims are then asked to cooperate in an investigation by attending their bank and withdrawing money, withdrawing foreign currency from an exchange or purchasing an expensive item to hand

over to a courier for examination who will also be a fraudster. Again, to reassure the victim, a safe word might be communicated to the victim so the courier appears genuine. At the time of handover, unsuspecting victims are promised the money they've handed over or spent will be reimbursed but in reality there is no further contact and the money is never seen again.

Protect Yourself -

Your bank or the police will never:

- Phone and ask you for your PIN or full banking password.
- Ask you to withdraw money to hand over to them for safe-keeping, or send someone to your home to collect cash, PIN, cards or cheque books if you are a victim of fraud.

Don't assume an email or phone call is authentic

Just because someone knows your basic details (such as your name and address or even your mother's maiden name), it doesn't mean they are genuine. Be mindful of who you trust – criminals may try and trick you into their confidence by telling you that you've been a victim of fraud

Stay in control -

If something feels wrong then it is usually right to question it. Have the confidence to refuse unusual requests for personal or financial information

Watch Out For Fake Texts About Your EE Bill

These fake text messages purport to be from EE and claim that you haven't paid a bill. The link in the message leads to a phishing website designed to steal your EE account login details, as well as personal & financial information.

Don't be tricked into giving a fraudster access to your personal or financial details. Never automatically click on a link or attachment in an unexpected email or text.

Follow Up Calls Computer Software Service Fraud

There is concern that victims of previous Computer Software Service Fraud (CSSF) are being re-targeted for "owed money". The National Fraud Intelligence Bureau (NFIB) reports that CSSF scammers are returning to contact previous victims, requesting that they pay money owed for a fake malware protection service they had provided. Alternatively, the fraudster will ask for a new subscription fee in return for protection from a new threat. The victims that have made payments to the fraudsters have done so via credit/debit card payments. In some instances threatening and aggressive language has been used against victims, as part of the attempt to coerce them into sending money.

Computer Software Service Fraud involves the victim being contacted, told that there is a problem with their computer, and that for a fee this issue can be resolved. The aim of the fraudster at this point is usually to gain remote access to the victim's computer and, subsequently, access to their online banking account. No fix actually occurs. The victims will often be cold-called or will receive a pop-up on their computer, prompting them to phone the suspect.

Since the beginning of this year (2018), the total loss for repeat victims of CSSF has been reported as £16,712.85. The National Fraud Intelligence Bureau has noticed an increase in such reports since the beginning of May.

Protect Yourself

- If you receive such an unsolicited call or pop-up, do not make a payment. Always ensure you know who you are talking to. If in doubt, hang up immediately.
- Do not allow remote access to your computer.
- Don't be rushed or pressured into making a decision. Under no circumstances would a genuine bank, or another trusted organisation, force you to make a financial transaction on the spot; they would never ask you to transfer money into another account for fraud reasons. Remember to stop and take time to carefully consider your actions.
- Listen to your instincts. If something feels wrong then it is usually right to question it. Criminals may lull you into a false sense of security when you are out and about or rely on your defences being down when you're in the comfort of your own home. They may appear trustworthy, but they may not be who they claim to be.

Launch Of New Victims First Service

The Office of the Police and Crime Commissioner for Thames Valley has launched “Victims First” as a new service for victims in the Thames Valley who are struggling to cope with the impact of a crime. Victims First is available across Berkshire, Buckinghamshire and Oxfordshire and provides free tailored emotional and therapeutic support to all victims and witnesses of crime, as well as family members of victims (if they require it).

The service allows for one front door for all victims in the Thames Valley who require support and is available regardless of:

- Crime type
- Whether or not the crime has been reported to the police
- Whether they were a victim of a recent or historic crime
- Wherever the crime happened.

Anybody who needs support can access it through:

Tel: 0300 1234 148

Website: www.victims-first.org.uk

You can follow us on Facebook where we have lots of information on crime types, crime prevention and support available:

Facebook: <https://www.facebook.com/victimsfirstTV/>

More information on the launch of Victims First can be found on the Police and Crime Commissioners website or follow this link: <https://www.thamesvalley-pcc.gov.uk/news-and-events/thamesvalley-pcc-news/2018/06/new-service-launches-to-support-victims-of-crime-in-the-thames-valley/>

Don't make it easy for opportunist burglars

Please take a moment to review your own security and reduce the chances of becoming a victim of burglary.

Double check that doors and windows are shut and locked when you go out or when you go to bed. If, in warmer weather, you choose to leave some window open overnight, make sure that they aren't accessible. If you have ladders, make sure they are locked away and can't be used.

Make sure that you don't leave a window open in a part of your home that is out of your view – it only takes a moment for someone to get in and steal anything readily accessible.

Keep car keys out of sight and don't leave door keys in the lock.

If you're going away think about what sensitive information you might be sharing on social media.

Report anyone acting suspiciously to the police, either on 101 or 999 if a crime is happening. Call at the time that you see it and try to get a description of them.

There's lots more information on the attached postcard (below), or you can visit the Thames Valley Police website.

Thank you for helping to make Aylesbury Vale safe – removing opportunities for burglars means that the risk of being a victim is also reduced.

**TINGEWICK PARISH COUNCIL - DRAFT MINUTES OF THE PARISH COUNCIL MEETING
HELD ON Thursday 5th July 2018 at 7.30pm.**

Members of the public in attendance: 0

Co-Opting of Parish Councillors'

It was proposed that Ms Jackie Newman be co-opted to the Parish Council as a Parish Councillor.

Proposed: Cllr Maxwell Seconded: Cllr Swinburne Agreed

242 Apologies: Cllr Trisha Lightfoot and District Cllr Patrick Fealey

243 Declarations of Interest: None

244 Minutes: To consider the approval of the minutes of the last meeting held on 07-06-2018.

Proposed: Cllr Swinburne Seconded: Cllr Fenemore Approved

245 County Councillor's Report:

Cllr Clare loved the Fete and commented that it was thoroughly enjoyable.

In 2017 there was a consultation for BCC Children's Services; how to improve services to prevent young people needing more drastic services later in life – the consultation is being done again.

There is a consultation at the moment for the Winslow to Buckingham cycle path to possibly be extended down London Road to the Swan Centre.

All the roads by the end of June 2018 had really tall grass. The one cut per year was voted in with extra money going to wards roads and potholes etc but swathe cutting is happening now and Cllr Clare did some strimming in Gawcott as he knew that children used the path and that he could not get it done otherwise. Unfortunately, the once a year cutting cannot be done earlier and were it not for Silverstone, would actually be done later in the season.

Vision splay at junctions is a priority and those cuts are scheduled four times per year, however if growth limits visibility, Cllr Clare asks to be contacted and informed.

Cllr Clare predicts the same problems next year and the year after so will be putting a call out to get together a group of willing volunteers to help get on to the worst sections; it's his belief that a team of approximately 10 volunteers working over four weekends should be enough.

Extra work is being done on the A422 to prepare for the planned resurfacing.

Edgcott Road has had £300,000 spent on it recently, which is more than the last decade combined. The road will still be problematic, though better than previous.

On Monday 9th July 2018 the south side of Radclive Road will be closed from the A421 roundabout up to Gawcott; businesses in the industrial centres will still be operating but access will be limited for general traffic.

246 District Councillor's Report; Apologies received

247 Matters Arising:

- *Item 235 – Councillor's Reports – Playgrounds*
The annual playground inspections have been done with some recommendations made for repairs by the assessor. Cllr Hornsey will review and raise at the next meeting which repairs he feels should be carried out, considering the impending development of the rec ground.

Cllr Hornsey to instruct the assessing company to carry out the agreed works.

Cllr Hornsey has suggested having only the swing seats replaced at the rec ground but to have all the works at the school playground carried out, bar replacing the climbing net - All councillors were in agreement.

- *Item 235 – Councillor's Reports: Roads*
Two street lights at the Tingewick roundabout have been on continuously for some time now, this was logged on the "Fix My Street" web portal for AVDC, the job was marked as closed but it has not been rectified. Similarly, a road drain on the bypass and one on Main Street are blocked and when reported on "Fix My Street" the job is marked as done but has not actually been fixed, Cllr Clare has been included in correspondence to assist.

Item to be removed from the agenda until more information is received from Cllr Clare

Cllr Clare advised that there are a lot of street light issues but they have not been followed up as the priority recently has been on the roads. When the roads in Gawcott are done he will start to look at the street lighting issues.

- *Item 236 – Correspondence: Footpaths Report*

Cllr Clare to

Cllr Clare advised that he will view the trees in question before commenting and apologised for not having done this sooner. before advising

It was noted that the homeowner was not in attendance to discuss this.

Cllr Hornsey queried if it is correct that property owners can remove branches from trees growing over their property boundary? It was confirmed to be correct

- *Item 236 – correspondence: Grass cutting at the Rec Clerk to clarify frequency and annual cost of grass cutting.*

Grass cutting is done March to November on a fortnightly basis. Due to recent growth this has been increased to approximately every seven to ten days.

The costs have been consistent for the last three years, averaging £1,400 per year, including herbicide treatments and maintenance of the trim-trail. This was agreed by all to be reasonable.

248 Planning; There were no planning applications to be considered.

249 Accounts

it was proposed that the Transaction Report be accepted

Proposed: Cllr Fenemore Second: Cllr Swinburne Approved

The Budget Report was unable to be printed.

250 Councillors' Reports and Items for Future Agenda

- Lighting: Cllr Lightfoot – Apologies received
- Cemetery, Grass Cutting and Special Projects: Cllr Swinburne

Residents contacted BCC for areas that were left uncut, but all grass cutting is now completed.

- Playgrounds, Footways and Street Furniture: Cllr Hornsey

Discussed under Matters Arising. No further updates.

- Recreation Ground: Cllr Fenemore – No updates.
- Planning: Cllr Jenkinson

Approvals since the last meeting; Broadway Cottage, Jukes House, a couple of smaller applications for trees and discharging the use of the air field.

The new expressway corridor (Cambridge to Oxford) will be announced within the next six to eight weeks.

The AVDC hearing is starting next week on the Local Plan, landscape designation is on the agenda to be discussed; TPC was unhappy with the designation of the land opposite the rec ground.

- Roads: Cllr Maxwell

Cllr Maxwell advised that he has lost faith in the Fix My Street website, as potholes reported have not been filled and there are still gullies full of silt forcing water to flow down the road.

Construction of the new roundabout at the junction of A421 and Tingewick Road is scheduled for 02-08-2018 until 07-12-2018; he recommends using Water Stratford Road to access Buckingham. Potholes were marked last week between Tingewick and Finmere, many have been filled. The new "tarmac machine" has been seen filling potholes in some surrounding villages but not yet in Tingewick. There is a pothole developing at the Tingewick roundabout as you turn in to the village which will be monitored and reported.

It was noted the Grand Prix is on this weekend; traffic will be twice as busy to & from Buckingham.

251 Correspondence

a) Churchyard Grass Cutting

It was agreed that grass cutting is to be carried out at the churchyard twice per year in June and September and should be done ASAP to "catch up" from June.

b) Pond cleaning

It was discussed that the pond is lined and the water level is governed by the outflow. Dredging would not help the water level and could make it worse, there is also a risk of damaging the lining which would be very costly to repair.

More rain is needed but obviously out of our control.

The Fire Service assisted with filling the pond when it was constructed and may assist with re-filling. though it seems unlikely.

Cllr Jenkinson to contact Cllr Fealey to remind about the designation discussion.

Cllr Swinburne to instruct Mr Styles

Clerk to contact the local Fire Service.

Clerk to

c) Buses

Clerk advised that notices have gone up about the BCC bus survey and copies were delivered to some residents who are known bus service users.

Cllr Jenkinson noted that there was an article in the Buckingham Advertiser recently about bus route cuts in South Northamptonshire.

Cllr Hornsey affirmed that there are no known planned cuts to services in Tingewick.

252 Standing Orders

Updated for 2018 with new GDPR information.

Proposed: Cllr Hornsey Seconded: Cllr Fenemore Agreed

253 Councillor Roles and Responsibilities

Updated with new councillor details.

Proposed: Cllr Newman Seconded: Cllr Maxwell Agreed

254 Disaster Recovery Plan

Updated to reflect new email account information and clerk details.

Proposed: Cllr Swinburne Seconded: Cllr Jenkinson Agreed

255 Parking

It was noted that parking at the bottom of Stockleys Lane has always been awful, however parking opposite, or within 10 metres / 32 feet of, a junction is illegal.

Poor parking is becoming an issue at the bottom of Cross Lane at the Main Street junction, as is as card parking on the footpath, forcing pedestrians to go on the road to get around the parked cars, which is also illegal.

The PC are considering the installation of yellow lines to prevent the ongoing parking bottleneck and/or asking the Police to intervene with bad, illegal and inconsiderate parking in Tingewick.

Clerk to explore the cost and procedure for having yellow lines installed.

256 Carol Thurlby Memorial

The Thurlby family have decided on what style of memorial bench they would like.

Clerk to source quotes.
