# Letter To The Editor

Dear Editor,

I feel that I should share my distress with your readers. On Tuesday night 2 green plastic chairs were taken from my Husband Brian's grave site. He died exactly 4 months ago on 6th April and I get great comfort sitting by his grave, closing my eyes and thinking of him. The chairs were only plastic, but it is the invasion of the grave site space that deeply upsets me. My Husband is buried in our own grounds just inside one of our public foot-paths enclosed by 2 locked gates. The thieves probably climbed over the fence directly next to the kissing gate. I cannot imagine that adults would be so thoughtless and heartless. Please, Tingewick parents, I know it is holiday time, but maybe you could keep a quiet eye on the teenagers. I feel so saddened that this has happened.

*Marianne Piepenstock-Speed*

**Editor's Note:** These events happend at the beginning of August. It's a shame that this has happened in such a friendly village .If anyone has any information on these upsetting events please email me at [editor@tingewicknews.co.uk](mailto:editor@tingewicknews.co.uk) so I can pass the information on to Marianne.

# TINGEWICK WALKERS

The July walk took place not too far away in and around Fringford. Having parked the cars in The Butchers Arms car park, the group proceeded in a leisurely way through fields golden with ripened corn. The terrain was reasonably flat and not much exertion had to be put into the walking, it was just a matter of keeping up the drinking levels in the hot sunshine. In just under two hours the pub came back into sight and everyone thankfully kicked off their walking boots and settled down to a good hearty lunch, well looked after by the catering staff.

The next walk will take place on Tuesday, 28th August and the one after that on Tuesday, 25th September. Anyone is welcome to join in, all you have to do is meet up in the Village Hall car park at 10 am on the last Tuesday of the month. If you need further information, please ring either Peter on 01280 848739 or Sara on 01280 847594.

## Gardeners Swap Day - 1.30pm to 4pm - Saturday 22<sup>nd</sup> September 2017

Following the success of last year's 'Gardeners Swap Day!' we're holding another event this year.

So start saving those surplus packets of seeds, plant cuttings and divisions and any other horticultural items that you no longer require.

Last year we had a lovely selection of plants and hundreds of seeds to choose from, so you never know what you might find. Jackie and Sally will also be bringing along their plant stall so there'll also be a lovely selection of plants to buy for charity. Location: Tingewick Village Hall. Tea, coffee and homemade cakes also available.

For more information contact Jane Bradford (01280 848392) for more details

## **If You Are Going Away Do Not Let Uninvited Guests Visit Your Home**

Holiday periods increase the chances for opportunist burglars, so before you go please read these tips for keeping your home secure while you're away:-

- Check that you've double locked all your doors and windows and put keys away. If you have an alarm, make sure that you set it.
- Lock your garden gates with a good quality padlock and lock tools and ladders away.
- Use lights on timer switches and consider leaving a radio on, tuned in to a talk station. Lights can also be purchased that imitate the flickering light of a TV.
- Think about what you are advertising on social media. If you 'check-in' at an airport or other holiday destination, make sure it's not a public post - this information could be very useful to an opportunist criminal!
- Tell a trusted neighbour that you are going away and get them to check your home and move post away from the front door. Make sure they have your contact details in case of a problem. Maybe ask them to open and close your curtains.
- Ask a friend or neighbour to park on your drive and make sure that your bin is put out and then brought back in.
- Cancel the milk and papers if you have them delivered. We hope that you enjoy your holidays and if you follow this advice it will greatly reduce the chances of an opportunist burglar visiting you while you're away!

These fake emails are after your Amazon login details!

We've had an increased number of reports about these fake emails purporting to be from Amazon. The subject line and content of the emails vary, but they all contain links leading to phishing websites designed to steal your Amazon login details.

# THANK YOU

## For not feeding us bread!

Bread makes us ill and it does not contain the right nutrition or calories that we need to keep us warm in winter.

Rotting bread pollutes our water and causes nasty surface algae, which kills our fish and gives us diseases. It also makes our water smell.

# Recreation Ground Fundraising Update

Some of you may have seen that two members of the PC were on duty in Tesco at Bicester Village on the 4<sup>th</sup> August, encouraging shoppers to donate their blue tokens towards the new Trim Trail for our Recreation Ground Fund.

We will be advised at the end of August what our share of the “Tesco Bags of Help” scheme will be and in turn will let you know too. We have also applied for the same scheme at Tesco Buckingham and the similar green token donations at Waitrose but we just have to wait our turn ...but don't worry we will let you all know when our turn arrives!!

We have enclosed in this month's Tingewick News magazine the information leaflet regarding the village lottery scheme run under the umbrella of AVDC Vale Lottery...this runs through out the year and is an ongoing fundraiser. So perhaps you might like to support the scheme this way too...register on line or call the dedicated number to register your numbers ...tickets are £1 per week and the top prize is £25,000...what are you waiting for...?

Plus, as with all Fund-raising events we need lots of help and ideas and volunteers and willing hands etc etc ...lots of you registered your support at the summer fete and a big thank you to those that did ...but for anyone else who would like to get involved then please complete and return the enclosed support form.

Its early days yet but the wheels are starting to turn ...the Recreation ground is now owned by the village ...the design for the proposed scheme and its new sports facilities are done and planning approval has been applied for plus grant opportunities are being pursued at all levels

We will continue to keep you all posted

# News from Water Stratford - September 2018

## ROY WILLIAMS

It is sad to record the death of Roy, at one time a frequent visitor in the village and worshipper at our church. May he rest in peace, reunited with Doris. We offer our sympathy to Fiona and her family.

## ANNUAL PARISH MEETING 15<sup>th</sup> June

The meeting at 8pm in The Old School was attended by Councillor Fealey and twenty-one residents, with seven apologies for absence.

Councillor Fealey reported from Aylesbury Vale Planning Committee that land supply is sufficient for nine years, making it easier to resist applications on green field sites. The application for housing off Water Stratford Road in Tingewick was refused. The HS2 project would be gathering momentum. The East-West Rail project was going ahead with a station at Winslow nearly complete. An East-West Expressway is being considered. A decision over whether Buckinghamshire should be split in two or be a single unitary authority is expected after the Parliamentary recess. There have been many cases of 'modern slavery': please report concerns to him or the police.

The Chairman reported on the problem of potholes: many have been reported but often remain unfilled. It is possible to claim for the cost of repairing damage to vehicles from the Council, especially if the hole has been reported but not repaired. Some improvements have been made to the approaches to Water Stratford crossroads on the A422 but it remains dangerous. Disruption from HS2 is likely to increase; if complaining about traffic through the village it is helpful to give vehicle numbers or company names. A social night is proposed for the autumn. Next year we should mark the centenary of the sale of freeholds by the local estate, an important event in the history of the village.

The Treasurer's report was followed by agreement to continue to contribute to the running costs of The Old School and to the Citizens' Advice Bureau.

The Clerk reported on options for installing a defibrillator. The committee will seek funding.

Andy reported there had been eleven planning applications. The condition of footpaths is poor in places.

Rob, Brian, Chris and Martin were re-elected to the committee. Andy has stood down. All are thanked for their work.

## **PIMMS AND HYMNS 17<sup>th</sup> June**

A strong wind blew everyone into the church this year, where Sarah's Pimms and nibbles were enjoyed during a service of hymns and readings on the theme of Earth, Air, Fire and Water inventively devised by Revd Liz, who also provided the guitar accompaniment. The final hymn had people standing to do the actions!

## **LAMMAS 15<sup>th</sup> July**

Thanks to Revd Liz for creating a lovely service to celebrate the first harvest of wheat and barley, as well as producing a home-baked loaf and bringing a bottle of St Austell Brewery Tribute ale – well known and loved by those of us with Cornish connections! Bread and beer were consumed after the service in a spirit of thankfulness.

## **CHURCHYARD**

Thanks to Guy, Andy and Di, who spent a hard-working morning on 28<sup>th</sup> July clearing dead undergrowth, moving stones left from the old wall and digging up chestnut suckers. The churchyard now looks much tidier, a fit setting for its fine new fence, which was a health and safety requirement.

## **CHURCH SERVICE AND ROTA**

There will be a benefice service of Holy Communion with choir at 10.30am on Sunday 9th September. Susan will arrange flowers and Jean and Suzanne will clean.

# ANSWER TO AUGUST'S RIDDLE

Last month we asked “*What eleventh century structure did Buckingham allegedly pinch from Tingewick in the nineteenth century?*”

The answer? Tingewick's ornate Norman south Doorway disappeared in the mid 19th century because a new Gothic doorway had been installed. From about this time come the first indications of Buckingham's Chantry Chapel having an ornate Norman doorway. Is it the one that disappeared from Tingewick and moved three miles up the road? More details in due course!

**261 County Councillor's Report**

Cllr Clare stated that the drain on Upper Street has been re-done and that all parties seem to be happy with it for now, though it will be tested when it rains.

The lights at the roundabout have been reported to the relevant department at BCC and he will pursue, particularly once the roads are all under control.

Regarding the TPC's enquiry about putting double yellow lines at the junctions on Main Street, Cllr Clare commented that he is always nervous about the urbanisation of rural areas and though the lines can be useful tools, they can have those implications; parking restrictions can be tricky as implementing double yellow lines does not reduce the number of cars being parked.

With that in mind Cllr Clare has advised that bids to the Local Area Forum (LAF) need to be completed before 31<sup>st</sup> August 2018, a traffic study would then be held and a report compiled. If the report concluded favourably the LAF would only fund half the cost, which could exceed £10,000. Cllr Clare added that it is a bureaucratic process which involves the Police and Planning department and while he is supportive, he is cautious as he is not 100% convinced that the LAF report would be favourable.

Regarding parking on the pavement, Cllr Clare commented that the law is "on your side" and that these are community problems, not only in Tingewick. If village residents take pictures of parking infringements and send them to Buckingham Neighbourhood Policing Team, Community Police Officers can issue warnings and even fines for repeat violators.

*The Clerk has confirmed the email address to contact the Buckingham NHPT is;*

Work on the new roundabout at Tingewick Road will commence next week. The works carried out there earlier this week were done by Anglian Water and not BCC. The work itself and then the temporary traffic lights that were left for days after, caused traffic issues and made life harder than was needed, Anglian Water has been spoken to about this.

The new roundabout will be a four-way roundabout and the first part of the construction will be to build the south side, which will keep the traffic flowing along the A421 – though there will be speed restrictions. Following that the south section will be used as the detour for traffic when the main part is done. It is acknowledged that the works will be "a pain" but BCC is doing everything possible to minimise the disruption. Cllr Clare also confirmed that it will be just a roundabout and there are no plans for pedestrian crossing lights, as far as he is aware.

**262 District Councillor's Report**

Cllr Fealey advised that the 20-miles-per-hour speed limit battle with the LAF is ongoing; a proposal was put forward with £1,300 funding for Tingewick and Gawcott to investigate, following this Thames Valley Police said that they wouldn't support the speed change and Cllr Fealey challenged their decision. He will be meeting with TVP representatives to look at the proposal.

The Government announced this week that they are changing 85 sections of the National Planning Policy Framework (NPPF). Some changes are small tweaks and others are larger. The NPPF is hoping to deal with poor quality and unattractive housing developments and will encourage developers to build to Standard Four, where currently most are built to Standard Three with the exception of Housing Association properties which are built to a higher standard. This will give councils more influence rather than builders dictating the design; like the new Kingswood development in Aylesbury which has won awards for being very eco-friendly.

The Government wants 300,000 homes built by 2020 and with the new expressway coming this will put more pressure on Aylesbury Vale as the route that is looking to be most likely is the South

route which effectively would go from Bletchley, Leighton Buzzard, Aylesbury, Thame towards the M40 – this will see huge amounts of growth in those areas.

AVDC; the leader Neil Lake has stood down, there is a new leader Andrew MacPherson.

Finally, there will be changes to waste collection which residents will be notified of very soon.

AVDC collects a lot and recycles a lot of waste but the demand for plastic has dropped so new ways need to be explored to deal with it; China is no longer accepting plastic waste so a contract has been drawn up with other councils to get a better rate elsewhere.

There will be new routes for waste collection and a new cart has been purchased with a bigger capacity since AVDC has included the new estates and expanded collection routes.

### **263 Matters Arising:**

- *Item 236 – Correspondence: Footpaths Report  
Trees on Gorrell Lane*

Cllr Clare has been to look at the trees in Gorrell Lane and has taken photos; there is no obvious “right to light” issue and he has not been able to find anything that he thinks he can help with, regarding being able to enforce the trees being cut back.

It was again noted that the trees are not dangerous and there is no council obligation for their removal however the landowner can cut back any branches overhanging their own property. Item to be removed from the agenda.

- *Item 251 – Correspondence: Churchyard Grass Cutting*

This has been done, with thanks received from a resident.

Item to be removed from the agenda.

- *Item 251 – Correspondence: Pond Cleaning*

*Clerk to contact the local Fire Brigade to explore the possibility of them assisting with the fill level. Clerk to create a notice to remind people not to give bread to the ducks.*

The notice was created and posted online; paper copies will be displayed throughout the village.

Cllr Newman advised that the pond level has been raised, she believes this was done by some local residents with filled buckets of water.

A barley hay bail was put in the pond to help with the algae.

The Clerk contacted the local fire service who advised that they do not assist with these matters.

The Clerk contacted Anglian Water who suggested contacting the local water authority.

The Clerk contacted “Water Services, an AQUAM Company” and is awaiting a response.

- *Item 255 – Parking*

*Clerk to explore the cost and procedure for having yellow lines installed.*

See discussion above under County Councillors Report

The Clerk confirmed that she has received the LAF application and this will be submitted shortly.

More info is required to confirm if residents are within their rights when parking.

- *Item 256 – Carol Thurlby Memorial*

A supplier has been chosen; all information requested has been sent, including measurements and street address for delivery. A quote is now awaited.

### **266 Councillors’ Reports and Items for Future Agenda**

- Street Lighting - Cllr Lightfoot advised that all is in order.

- Footpaths and Pond

Cllr Newman advised that she had received a query from a resident on the Bovis estate about the plants at the end of the village, along the fence line, and where the responsibility lay for them. It was agreed that as this was beyond the original boundary, it came under the remit of the Bovis estate management company.

Cllr Newman advised that she had received a letter from the residents who look after the ducks, requesting assistance with the increased cost. It was agreed that this would be included on the Agenda for the September TCP meeting.

- Cemetery, Grass Cutting and Special Projects - Cllr Swinburne was not in attendance.
- Playgrounds, Footways and Street Furniture

Following recommendations made by the assessors Cllr Hornsey has highlighted the maintenance works that are to be carried out.
