ISSUE 286 - OCTOBER 2018

Your FREE Magazine

In September the Government announced the route chosen for the Oxford to Cambridge Expressway. The Expressway is intended to provide better connectivity between the M1 and A34 as well as decrease congestion along the A34 at Oxford and fortunately the route chosen will not directly affect Tingewick. For more information visit

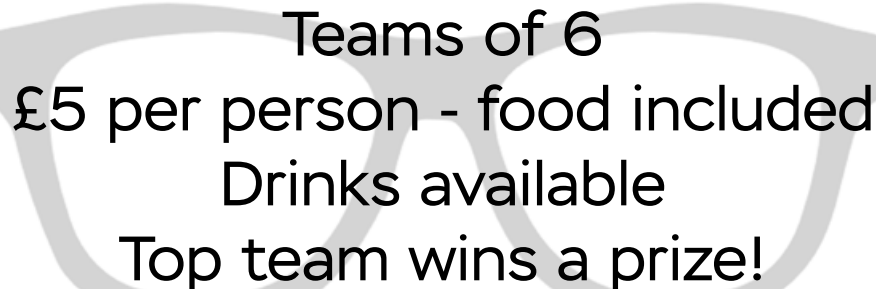

<https://www.tingewicknews.co.uk/corridor-b>.

By now you should have received details of the “new” AVDC bin collection days. While the refuse and recycling days haven’t changed, it would appear that the Garden Waste collection day is now based on where you are in the village. Because of this I am now unable to include the garden waste collection in the Village Diary so if you need to check when your collection is due simply pop your post code in the AVDC website’s “Find Your Bin Day” tool:

<https://www.aylesburyvaledc.gov.uk/find-your-bin-day>

Finally, congratulations to all the winners at the Horticultural Show - you can see a full list on page 16 and I hope to see you all in Fancy Dress at the next Film Night (details on page 8)!

Firstly, a huge thank you to everyone who came to our Fundraising Pub Quiz night at the Roya Oak on Saturday 1st Sept, we hope you enjoyed it. **We raised approx. £300 for the club which was fantastic.**

Our season for the now U16's has just started with a 7-1 win in our first game, so the boys were out of the blocks all guns blazing, let's hope this is the start of a winning streak.

We ran some sessions for U9/10's over the summer, which were enjoyed by all who attended. We are hoping to get the new team up and running with the league for January so if you, or anyone locally you know, have children (boys or girls) in this age group who are interested in playing football please contact Andy on 07535 518128.

Finally, keep an eye on this space as we make plans to extend the club further by making football accessible to more age groups.

Movie Night at Tingewick Village Hall

Saturday 20th October 6pm

TINGEWICK WALKERS

The walk in August went from Mixbury to Westbury, on a circular route, with special points of interest shown to the group along the way. Most pertinent was the proposed new high-speed railway that will cross these ancient fields in the future. There was the usual field of cows, all docile and minding their own business, even the lone bull was sitting oblivious to what was going on around him. It was a comfortable walk which took about two hours to complete in warm and dry conditions. Lunch was provided by The Red Lion at Evenley.

It would be good to see a few new faces, so why not come along and join in the walking?

This takes place on the last Tuesday of the month and the next one will be on Tuesday, 25th September. The one after that will take place on the 30th October. The start time is 10am and the meeting place is the car park, Tingewick Village Hall. Contact Peter on 01280 848739 or Sara on 01280 847594 if you need any other information.

News from Water Stratford - October 2018

THE MARRIAGE OF DR ANTONIA (TOBY) FORD TO MR CHRISTOPHER WALL

Their wedding was a most delightful happy drizzly day, held in the beautiful 12th Century church of St Giles, Water Stratford on Saturday 8th September. The Revd Val Plumb deserves special mention and thanks as Val managed to make the whole service personal, funny, thought-provoking, taking away any nerves of the bride and groom; also our extremely helpful churchwarden, Mike.

The service, such a wonderful mixture of the beauties and traditions of religion, a Christina Perri song, beautiful singing by Toby's friend, Cat, readings of Carl Sagan (astronomy a shared interest of the bride and groom) and an exquisite Apache wedding reading. Two nervous four-year-old flower girls, Araminta (Toby's niece) and Alba (Chris's niece) made everyone smile. Many guests walked the village back to Water Stratford House for what one would describe as a village fete reception.

For a day that started quite stressfully, it became a day to be treasured. Toby's parents Richard and Susan were delighted to host the event (though the happy pair had done all the planning). So many memories created, so many friendships renewed, so many happy people celebrating the truly magical day that was our daughter's wedding.

They left to go to spend their honeymoon in a treehouse, watching the stars above and wildlife below.

SUMMER GARDEN COMPETITION

Once again we have prize-winning gardens in the village: congratulations to Richard and Susan, Sarah, and Steve and Barbara, who achieved this in spite of the heatwave.

CHURCH SERVICE AND ROTA

There will be a Harvest service on Sunday 21st October at 11.15am. Sue will arrange flowers and Di will clean.

ANNUAL SUMMER SHOW Results 2018

There was much to see at this years Summer Show. Despite the hot, dry summer those with green fingers had managed to produce plate sized dahlias, overflowing hanging baskets, pots filled with a variety of flowers and foliage as well as lovely scented roses. Those who like to grow their own displayed all sorts of vegetables and fruits from marrows, onions and beetroot to tomatoes, medlars and raspberries. Many exhibitors showed their artistic side with beautiful floral arrangements and nearly a hundred photographs were on display. Bakers made delicious cakes, jams and chutneys whilst those who enjoy handicrafts showed off their varied skills by making Christmas decorations, cushions, table runners and so much more. Children at the three local schools made over ninety drawings, paintings and collages of yellow and orange flowers. All in all a very colourful display.

After admiring the exhibits visitors perused the stalls, entered the raffle, had a go on the tombola and finished off the afternoon with tea or coffee and delicious homemade cakes. The afternoon ended with the presentation of Cups and Best Exhibit Certificates by the President, Richard Fenemore, to the worthy winners.

Many thanks to everyone for all their help and support and to all those who came to look around the Show in the afternoon. It is very much appreciated.

Tingewick Neighbourhood Watch

CRIME CANNOT FLOURISH IN A COMMUNITY THAT CARES

Use the following URL to find out about your Neighbourhood Policing team and view the Neighbourhood Update for Aylesbury Vale - <http://news.thamesvalley.police.uk>

Blocked drains scam

Thames Valley Police have received recent reports of a scam, where residents are told that there is a problem with their drains.

Victims are being contacted by people claiming to be either from Thames Water or Dyno Rod, saying that their drains are blocking and require specialist equipment to clean them, costing around £500 to hire. At one property in Wendover the money was handed over and we are aware of several other attempts in Aylesbury.

If you receive an unsolicited phone call, or someone comes to your property, don't always believe what they are saying. The Scammer will try and get your confidence and may use technical information, to make it sound like they know what they are talking about. Consider using a call-blocking service, which will stop calls that aren't in your address book coming through, unless you authorise them.

You can find more advice and information by visiting the Buckinghamshire and Surrey Trading Standards or Action Fraud website

You can also download a copy of the Little Book of Big Scams from the Thames Valley Neighbourhood Watch website: <https://www.tingewicknews.co.uk/staysafe>

Please look out for vulnerable friends, neighbours or family and make sure they know how to deal with unsolicited telephone calls.

If you have been a victim of this or another type of fraud you can contact Action Fraud online - <https://www.actionfraud.police.uk> - or by calling **0300 123 2040**

Watch out for these fake Netflix emails

We've seen an increase in reports about fake Netflix emails claiming that there's an issue with your account, or that your account has been suspended. The email states that you need to "update" your account details in order to resolve the problem. The link in the emails leads to genuine-looking Netflix phishing websites designed to steal your username and password, as well as payment details.

Always question unsolicited requests for your personal or financial information in case it's a scam. Never automatically click on a link in an unexpected email or text.

**DRAFT MINUTES OF THE PARISH COUNCIL MEETING HELD ON
Thursday 6th September 2018 at 7.30pm.**

Members of the public in attendance: 0

Co-Opting of Parish Councillors'

It was proposed that Mr A MacGarvey be co-opted to the Parish Council as a Parish Councillor.

Proposed: Cllr Hornsey Seconded: Cllr Swinburne Agreed

270 Apologies: None

271 Declarations of Interest: None

272 Minutes: To consider the approval of the minutes of the last meeting held on 02-08-2018.

Proposed: Cllr Newman Seconded: Cllr Fenemore Approved

273 County Councillor's Report

Cllr Clare is interested in hearing how people are getting on with the roundabout works. Attended a meeting today about future scheduling; informed those responsible the max. acceptable is a 15-minute delay for motorists. When there is only a 5- or 10-minute delay, it's no quicker to divert through Gawcott and hopefully "village traffic only" signs will be put up in the future.

The road to Stowe will be shut during the day until Wednesday next week for works to be done to fix the water on the road, significant drains will be put in, like on Water Stratford Road.

There will be night works to repair the road on the A422 south of Radclive, in October.

Cllr Clare sent a "massive thank you" stating he is really very grateful to Cllr Fenemore for dealing with the continually persistent problem of the lump of soil on the verge of Sandpit Hill.

274 District Councillor's Report

20mph speed limit; exploring the possibility of it being enforced in peak school times. Application is coming to the LAF next week; may come up under priorities, needing to be voted on.

Elections scheduled for 2nd May 2019, however this may be put back by two years, pending the outcome of the unitary proposal, for which the Ministers' response is still awaited.

AVDC is looking at expansion, with the expressway and the requirement from the Government to deliver 300,000 homes nationally, pressure is on Local Authority's to deliver more homes. A meeting will be held with the Minister to get a feel for how they see development up to 2050.

275 Matters Arising:

- *Item 251 – Correspondence: Pond Cleaning & Water Level*

The Clerk contacted "Water Services, an AQUAM Company" and is awaiting a response.

Clerk advised the only information received has been of no relevance to filling the pond.

Cllr Maxwell commented that the pond was actually filled by a neighbouring resident who ran a hose through her window to the pond. The Parish Council thanks this resident.

- *Item 255 – Parking*

Clerk to explore the cost and procedure for having yellow lines installed.

More information required to confirm if residents are within their rights when parking; PCSO's from Buckingham invited to attend September meeting.

The bid to the LAF was submitted.

PC Labrum from the Buckingham & District Neighbourhood Policing Team (BNPT) advised no Officers were available to attend the meeting and they are unaware of any arrangement where photos can be sent to them of illegally parked cars.

Action: Clerk to update the form, previously placed on cars that were illegally parked by the Neighbourhood Watch and send to the BNPT to check its validity and accuracy.

- *Item 256 – Carol Thurlby Memorial Bench Seat - A supplier has been chosen.*

Followed up but a response is still awaited.

278 Councillors' Reports and Items for Future Agenda

- Street Lighting – Cllr Lightfoot

Resident reported a light out on Water Stratford Road, will be forwarded for repairs.

A questionnaire was received from BCC, exploring which councils are still using private providers for street light maintenance. This has been completed.

- Footpaths and Pond – Cllr Newman

Nothing to report, though Cllr Newman commented that she is impressed with how well looked after the pond is and how involved the residents are.

- Cemetery, Grass Cutting and Special Projects – Cllr Swinburne

Nothing to report.

Cllr Swinburne thanked the PC on behalf of the Historical Society, for the loan for the WWI project and commented that the Silent Soldier looks great.

- Playgrounds, Footways and Street Furniture – Cllr Hornsey

Clerk confirmed the recommended repairs have been booked in and will be completed within the next two months.

The litter bins near the shop, the Church and at the bottom of Church Lane are overflowing; this has been reported and Cllr Maxwell was informed the emptying will be done today.

- Recreation Ground – Cllr Fenemore

The hedges have been trimmed ready for Winter and next year.

Action: Cllr Fenemore will arrange for the spraying of the Trim-trail.

- Roads – Cllr Maxwell

The potholes on Stowe View will be reported again shortly.

The gully near the roundabout will be reported again as it is full to the brim. Cllr Fenemore commented that there is a problem with a hole in the ditch pipe on this side of the roundabout.

- Planning – Cllr MacGarvey

Received an email from BCC regarding a "priority database" Cllr MacGarvey will complete what he can and contact the infrastructure department for more information.

Tingewick Wood; there is a poster advertising the permission for the sympathetic felling of rotten trees and to recycle under the Forestry Commission. Cllr Fenemore commented that the land has been cleared out to be replanted.

279 Correspondence

- a) a letter was received from the residents who look after the ducks, requesting assistance with the increased cost of duck food.

The Parish Council was advised by a professional, that the amount of food currently donated should be sufficient; except for in the Spring time when the new ducklings are hatched.

It is felt that the current duck population may be greater than it should be and that the ducks, like other wild animals, will seek out food sources further afield if what is provided is not enough for the current population.

Action: Cllr Newman to draft a response.

- b) Speeding in "Little Tingewick"

Action: Cllr Hornsey will explore the area to see if there is a pole that can be used for the MVAS to be positioned, if not the Clerk is to source a quote for a new pole.

c) Salvation Army Clothing recycling bank

Agreed there is nowhere suitable for this and there is already a clothing bank in the pub carpark.

Action: Clerk to respond to enquiry.

280 Tingewick Community Park Trust Update (standing item)

The Tesco banner has been taken down from the school gates and returned to the Bicester store. Cllr Lightfoot and Cllr Newman had a lovely Saturday at the Tesco Bicester store promoting the fundraising for the Rec ground and should find out shortly the result of the token scheme and how much is being awarded to the Trust. Cllr Fenemore thanked them both for doing it.

BCC sent an invoice for £700 for the fees associated with the purchase of the Rec Ground, the Trust's lawyer advised they appeal against it; Cllr Clare helped and it was lowered to £350.

Cllr Lightfoot sends many thanks to Cllr Clare for his assistance.

The 100 Club bank account will soon be closed and the funds will be officially transferred to the Trust, anyone wishing to continue their support should sign up to the Vale Lottery.

The Planning Application has been sent to AVDC.
