

# TINGEWICK AND DISTRICT NEWS

ISSUE 289 - JANUARY 2019

Your FREE Magazine

## This Is YOUR Year!

As we enter 2019 I hope this magazine will continue to be a valuable resource for the village population. I know that we like to do a lot of things online these days but there is something to be said about having a piece of paper in front of you.

Years ago, when this magazine was first started (in its current incarnation) I was involved in stapling and delivering issues with my family. Back then the majority of the magazine content was social commentary with people writing in and complaining about dog mess, or announcing an engagement. These days most of this sort of news seems to have been moved online. I can understand why - the immediacy of responses and validation are a big bonus, as is reaching a wide audience.

I would still like you to consider the Tingewick & District News a great place for announcements though - maybe some of those you want to reach don't check social media that often, maybe they prefer a more "personal" touch.

I'm not asking you to pay for an advert - far from it! What I would like to do is kick-start the "letters to the editor" and "personal messages" sections again.

Have a birthday or a thank-you you'd like to make? Do it online and then add it to the Tingewick News too!

Want a little moan about something? Letters to the editor are anonymous where requested so unlike social media you might be able to say what you actually think (within reason of course!)

This is a magazine for the village so I feel it's only fair to ask the village to get involved. If you have any comments, suggestions or content then drop me an email at [editor@tingewicknews.co.uk](mailto:editor@tingewicknews.co.uk) or pop a note through my door (address on page 2)

This is YOUR magazine so please use it!

## TINGEWICK WALKERS

The November walk began at Abthorpe from the church in the centre of the village. There were two new walkers from Water Stratford who joined the group that day, which was good to see. It was the usual mix of footpaths, fields and woods. The leader of the day pointed out the drover's road that the route followed and gave a brief account of its history, which everyone appreciated. On entering Bucknell Wood, long straight tracks led the way through, which made

for easy walking. This continued for a mile or two before more fields were crossed and Abthorpe reappeared. This being the final walk of the year, one member of the group had invited everyone to her house for a splendid meal - thank you Gwen and thank you Paula for the delicious desserts.

There will be no December walk. Tingewick Walkers will meet again at the end of January 2019, on the 29th. Whatever the weather, they will be out there braving the elements. If you would like to join in, please come along to Tingewick Village Hall car park at 10am and see what the walk of the day will bring. If you need further information, contact either Peter on 01280 848739 or Sara on 01280 847594.

## **The Starlight Nativity**

On Saturday 15<sup>th</sup> December my family and I went to the Tingewick 'Nativity in a Stable'. The night was wet and dark, not at all what was hoped for. First we sang 'O Little Town of Bethlehem' then walked down to a sheep barn. It was very windy so we had to go in with them. I think they enjoyed the singing, although they looked puzzled. Then we went to another stable where baby Jesus was 'born'. After a few more songs we traipsed back and were rewarded by hot chocolate and biscuits. Thank you very much, George and Annie, for letting us have such a lovely evening at Rectory Farm.

THANK YOU to everybody who helped to decorate the Church for Christmas. As usual the Church looks very festive! The mulled wine and mince pies were very welcome as it was not particularly warm after a very difficult time with smart meters!

Last night we ventured out into the cold and wet for the 'Starlight Nativity' which was held at George Eaton's farm. The rain relented a little bit as we made our way around the barns, being told the story of Mary and Joseph's journey to Bethlehem. The journey ended in one of George's barns where the baby was laid in the manger. It was all very real! The children dressed as Mary, Joseph and Angel Gabriel and loved it!

Thank you to Liz for organising the evening, Margaret for being our story teller and to George and Annie for delicious refreshments!

More about our Christmas services in February!

## ***Editor's Comment:***

### **Supermarket Vouchers**

There are a lot of scams online at the moment that tell you you're eligible to win vouchers for differing supermarket chains just by filling in a form. Watch out though, if you enter these competitions you will then start to receive unsolicited text messages which can be charged at several pounds a time. Remember, most major supermarkets won't use social media to run promotions of this type and, as always, if it sounds too good to be true it probably is.

### **Bank Scams**

Another scam that's caught quite a few people out recently is that you'll receive a phone call purporting to be from your bank – and if you're on your mobile the caller ID will look like it's from their registered number. They'll sound very convincing and have details of some of your account activity and unlike other scams they won't ask for any identifying information but they'll tell you your account has been compromised and ask you to move your money to a "safe" account which they'll give you the details for.

If your bank is worried about the safety of your money, they will simply block transactions on your account, they'll never ask you to move money elsewhere. As long as you report a lost/stolen card or fraudulent activity on your account within your bank's timeframe (usually within 24 hours but do check to be sure) you will be covered. The problem with this scam is that as you will have been seen to have moved your money willingly so it's difficult to claim anything back under fraud rules.

If you're unsure, hang up the phone and call your bank from another line using the number from your statement or the back of your bank card, NEVER take anything at face value no matter how genuine it seems.

For more information on the types of fraud around, or to report an incident of fraud or cybercrime then go to the Action Fraud website:

<https://www.actionfraud.police.uk/>

Cllr Maxwell advised there is one area in the school playground where the wet-pour surface is weakened, it is believed to be from a sunken tree root. Cllr Hornsey to check the area and consult BCC regarding responsibility for the area as the PC do lease the area from them for the play equipment but the Lease for that does not cover anything about the ground foundations.

- Cllr Swinburne – Cemetery, Grass Cutting and Special Projects

Everything is fine at the cemetery and there are no special projects at this time.

The Clerk advised that she is exploring training for the running of the cemetery.

- Cllr Fenemore – Recreation Ground: Nothing to report.
- Cllr Maxwell – Roads

Approximately eight category one potholes were reported to TfB and rejected for repairs with no reason given. This will be further explored.

Approximately nine lights have also been reported to TfB as they are out.

Cllr Maxwell commented that there has been no gulley sucking for a year or two and he is concerned there will be problems if there is heavy rainfall however it was noted that the road closure at the Finmere end of the village was beneficial to help with the road surface there.

- Cllr Newman – Footpaths and Pond: Apologies received.

Cllr Maxwell advised the pond drainage exit is full of reeds. Clerk to ask Mr Styles to clear it.

- Cllr MacGarvey – Planning: Apologies received.

*“Quack Quack!*

*We wish you a Merry Christmas! We hope you're all prepared for the holidays and have 'Ducked the halls with boughs of holly'. We love all your Christmas lights and decorated houses! Enjoy your Christmas quackers! Make sure you've got enough paper and tape for wrapping all those pressies – we've got some spare tape if you need some.”*

Thanks to the person who phoned up to let us know about the lame duck (nothing to do with John Bercow). It seems to have survived its leg injury. We were careful to put food right next to the pond for it for a couple of weeks as it struggled so much on land. We even threw it some bread so it didn't have to get out of the water to feed; we figured a bit of indigestion wouldn't be the worst of its worries!

As always you may contact the Duck Squad on 07875 603 008 if you'd like to get involved in the daily feeding or in the hatching business when it all kicks off again in the spring! Duck Squad members also check the 'Tingewick Life' Facebook page on the web so you could post there.
