ISSUE 294 - JUNE 2019

Your FREE Magazine

*Thank
you*

I would like to say a massive thank you to all of you who came along to the Tingewick News Quiz held on the 18th of May.

I hope you all enjoyed yourselves and the questions weren't too hard this time around!

Thanks to your generous efforts we were able to raise a fantastic £500 for the magazine and £60 for the duck pond - what a wonderful amount.

The magazine is funded solely by the advertisers so to have this buffer takes the pressure off somewhat I'm sure you can imagine!

My thanks also go to Fran, Julie, Carol, Terry and Charlotte for their help on the night and also to The Village Hall Committee who kindly donated the use of the hall for the evening.

This month we have a bit of a bumper issue for you with details of the Historical Society's World War One display celebrating the end of the war (page 12), details of the photography classes (page 17) for the Horticultural Summer Show and changes to their schedule (page 22) and something a little different for you music lovers out there - Jazz in the Village all the way from Scotland (page 3)!

PUB LUNCH CLUB

THE NEXT PUB LUNCH IS AT 12:30PM ON THE 18TH JUNE

"Quack Quack!"

It is starting to get to that time of the year - 5 ducklings hatched successfully and were transferred to a maternity unit with some older ducklings as mum couldn't be found. Sue Mudie is doing a fantastic job of looking after them all, thank you!

A lot of us are sitting on nests and others are on the look-out for somewhere safe to nest so please keep an eye out for us!

We are very grateful for recent contributions which means we can be fed regularly. It also means the new babies can be fed on chick crumb and provided with straw to keep their house nice and clean.

A huge thank you for all the contributions, support and advice, particularly from Nick at ACME, we really appreciate it.

See you soon on the pond and around the village.

Quack Quack!"

TINGEWICK WALKERS

There was a good turnout for the April walk and this time the walkers went to Cosgrove, in Northamptonshire, parking in the Barley Mow car park. This was near to the canal and after going through a narrow tunnel and up some steps, the canal was reached and was followed along for about a mile. After that there was a walk alongside a nature reserve, with lookout holes in a fence especially erected in order to view the wildlife. Onwards the path continued until the site of a medieval village was reached and commented upon.

Following on from here there were fields to cross before reaching the canal once more, crossing over to the other side at a lock and returning back to the pub.

The Tingewick Walkers meet on the last Tuesday of every month, the next walk being on the 28th May and the following one on the 25th June. The group can be joined by anyone who wishes to participate and if there are any queries, please ring either Peter on 01280 848739 or SARA on 01280 847594.

EVENSONG & TEA - NEW COLLEGE OXFORD

Twelve of us had a wonderful afternoon in Oxford. The sun was shining, and the buildings looked magnificent. We were met at the porter's lodge and shown the garden – students revising (supposedly) on the grass, wisteria billowing down over the college walls. Rev Erica Longfellow, Chaplain and Dean of Divinity at New College took us on a tour of the cloisters - a student reciting Shakespeare in the gardens added to the atmosphere as we looked at 13th century statues, once high up in their niches on the walls. Tea in the wonderful Hall followed – the walls covered with past Deans going back for ever! The Archivist had arranged a fascinating exhibition of Tingewick Historical maps of the village, plans of field names etc which we could have looked at for a very long time, but it was time for Evensong.

The sun on the stain glass windows, the organ playing, the wonderful singing from the boys and men of New College Choir - We were very privileged to be there witnessing a service that occurs nearly every evening (since 1662) and which one is free to attend. We hope to go again next year and would be very pleased if you could join us then.

The relationship between Tingewick and New College is an ancient one. As Chancellor of England, William of Wykeham was the founder of New College and was able to acquire landed property. This included the Manor of Tingewick from about 1390. The Wardens and Fellows of New College have been Lords of the Manor ever since.

News from Water Stratford

TINGEWICK AND WATER STRATFORD HORTICULTURAL SOCIETY

Following the Annual General Meeting on 22nd March, the Society held another very successful Cheese and Wine Tasting event. Forty-nine people had the opportunity to taste a total of eight wines, a mixture of sparkling, red, white and sweet, from various regions of France. Local wine expert Ron described the characteristics of each wine and kept everyone entertained with humorous anecdotes. Each wine was accompanied by a carefully selected hard or soft French cheese with the final sweet wine accompanied by a delicious assortment of mouthwatering French desserts. A raffle at the end of the evening meant six lucky people were able to take home a bottle of wine to enjoy at their leisure.

Barbara Prideaux

A new event for the Society was an Easter Wreathmaking and Table Decoration evening held at Tingewick Village Hall on 12th April. The event began with Elaine giving a demonstration in the art of making a wreath for Easter, with both flowers and foliage, and also demonstrating a table decoration, which could include candles. Easter bunnies, chicks, and a variety of other Easter decorations could be added too. The seventeen ladies that took part then chose to make one or the other. The end results were amazing. Wine and nibbles were served early in the evening and the event ended with a raffle. A number of really lovely comments were made about the event by the ladies that attended, so it is hoped that this event will become a permanent feature in our calendar.

The Society held its annual Spring Gardens Competition on 15th April. Ten gardens were entered into the competition, five from each village, and judged by the Head Gardener at Evenley Wood Gardens. Congratulations to all the winners, including from Water Stratford: Barbara and Steve, Jean, Sarah and Leah.

MILTON KEYNES HALF MARATHON

Archie and Guy Brogden took part in the Milton Keynes half marathon over the May Day Bank Holiday in aid of the Puzzle Centre, a preschool for children with autism based in Middle Claydon. It was Archie's first long distance race and having shown his dad to the half way stage, powered ahead and came home in 1 hour 43 minutes. Guy finished in 1 hour 53 minutes, creditable but somewhat exhausted. Thank you to everyone who supported the charity – it was a memorable occasion.

379 Election of Vice Chairperson

Cllr Swinburne nominated Cllr Hornsey - Cllr MacGarvey seconded the nomination.

380 Acceptance of Office

Cllr Hornsey stated that when he had spoken to Cllr Lightfoot prior to the meeting, he informed her of his intention to nominate her and she passed on her acceptance.

Cllr Hornsey accepted.

381 Declarations of Interest: None.

382 Minutes: To consider the approval of the minutes of the last meeting held on 04-04-2019.

Proposed: Cllr Swinburne Seconded: Cllr Maxwell APPROVED

383 County Councillor's Report

Not in attendance.

384 District Councillor's Report:

Not in attendance.

385 Matters Arising:

- *Item 262 – District Councillors Report, 20 mile per hour speed limit near the school.
It was felt that the cost is too high and alternative signage will be explored.*

Cllr Hornsey placed the MVAS on Main Street facing traffic approaching from the Buckingham end. Cllr Lightfoot sent through information for different flashing lights; it was agreed that they seem more in line with what is wanted but more information is needed regarding battery life and positioning.

Action: Clerk to create summary of MVAS statistics and sent to the Councillors

Action: Clerk to request more information from the flashing light supplier

- *Open Forum – December 2018: Pinch-Point*

It was suggested that instead of a new pinch-point being installed before Toll Gate Street (as entering the village) whether it would be possible to have a small roundabout instead (like the one near the pond) at the junction. Clerk has contacted BCC and is awaiting a response.

Action: Clerk to follow up again with BCC about possible new roundabout

- *Item 321 – Councillors Reports, Cllr Hornsey: School Playground wet-pour surface
Small area believed to be weakened by a sunken tree root.*

Clerk contacted Roundwood School to see if they can contribute to the cost of the repair, the Head Teacher advised that the matter would be discussed at next Buildings Facilities and Premises meeting on 13th May 2019.

Cllr Hornsey noted that the area has not worsened and feels this may be due to the dryer weather. He also noted that it does not fail when he stands on it with his full weight, so does not believe it poses a risk to smaller children.

Clerk has contacted Wickstead to book the playground inspections and will raise this with them to check the area and pass on their recommendation.

Action: Clerk to contact Wickstead to include the area in the playground inspections

Action: Clerk to follow up with Roundwood School

- *Item 356 – Councillors Reports, Cllr Newman: Gorrell Lane*

Posts supporting the retaining slabs are rotting and falling away, Cllr Newman to contact Cllr Clare with pictures to ascertain who's responsibility it is to maintain the lane and the trees in that area.

Clerk has received an email from BCC taking responsibility for the footpath, which is to be widened to it's original 2metre width. BCC have confirmed that the area on either side of the footpath is "no man's land" as it effectively belongs to nobody. BCC will tend to any dangerous trees, however any other works to be done will be the neighbouring landowners responsibility.

- *Item 359: Maintenance Contract Tender
List of duties for the Contractor was agreed*

The chosen contractor withdrew their tender.

The second contractor will be engaged from June 2019 for a 12-month contract.

Mr Styles confirmed he is happy to continue carrying out the work until the new contractor starts.

- **Bus Stop**

Cllr Lightfoot and Cllr Hornsey met with representatives from BCC who confirmed that planning permission is not required for a new bus stop to be installed along Main Street behind the houses on Buckingham Street. A quote has been received and another will be sought to comply with the TPC standing orders.

Cllr Fenemore is still worried about vision splay when exiting Church Lane.

It was suggested that when the pinch-point is removed, the bus stop be positioned further along Main Street.

Cllr Lightfoot to obtain a second quote.

Cllr Lightfoot to explore the possibility of moving the bus stop further along Main Street.

- **Litter Pick – Tidy Tingewick, Saturday 17th April 2019.**

Very successful, with lots of rubbish collected. There were seven volunteers on the day.

It was suggested to perhaps organise another event before the Best Kept Village judging.

Cllr Hornsey proposed the school railings be weed sprayed during the half term holiday at the end of May to coincide with the judging. All present were in agreement.

- **Fete Committee**

Clerk has drafted Committee Standing Orders and submitted to the committee, a response is awaited for the committee to decide whether they will remain / become a TPC committee or if they will become independent.

Cllr Fenemore advised that Cllr Lightfoot and Nick Moody (Fete Committee Chair) have come to the agreement that the Committee will give their answer to the PC after their final meeting, following the fete, in July.

- **Item 372: Cut footpath sign.**

Cllr Hornsey confirmed that the sign has been secured to a fence but that the fence is wobbly.

He suggested we approach BCC to request a replacement as opposed to repairing the old sign as it would be the simplest and most cost effective solution.

Action: Clerk to follow up report with BCC

- **Item 373: TPC Banking and online transactions**

Agreed at April meeting that a new bank account be explored to enable electronic payments.

This has not yet been actioned due to not all the signatories being available to attend the bank.

Action: the signatories named on the mandate will agree a date to attend the branch.
