A Fête To Remember!

The fête organising committee would like to say a **massive** “**Thank You**” to all the volunteers, stallholders, classic car owners, bands, dog show entrants and visitors that came to the “Tingewick Village Fete, Beer Festival and Classic Car” show on the 22nd June.

Fortunately the weather was kind to us this year and there was a cracking turnout of people and cars - it was one of our biggest displays of classic cars to date.

We hope that you all had fun and enjoyed the locally brewed beers & ciders, birds of prey and surprise guests “The Alpacas”!

If you're interested in volunteering next year, have an idea for an attraction or would like to join the committee please see the website (tingewickfete.co.uk) and fill out the contact form.

“Quack Quack!”

We hope you are all well and enjoying all the rain we have been having - we love it!

Thanks for addressing the vermin issue, we think it has improved a lot but do let the Duck Squad know if you think further improvements are required.

We are being fed further from the pond these days to keep our food from the rats so if you leave us any scraps, which we love (thank you!), please can you leave them away from the pond to discourage the rats.

We haven't had any more ducklings but are expecting more as a number of our duck family are still missing from the pond so we are hoping they are sitting safely on their nests.

Congratulations to the moor hen family who have had babies. They nested on our duck house veranda and the babies can be seen swimming on the pond and then using the steps to get back to mum!

We look forward to seeing you soon, huge thanks to everyone who feeds us and contributes to our food.

Quack Quack!"

RING Anthony or Lois: 848658*

ALSO YOU WOULD BE VERY WELCOME AT OTHER SERVICES IN THE BENEFICE.

If you love music and singing, the Benefice Service with the choir, once a month, is a lovely service to come to. Do join us if you can.

Flower Rota : Pat Swinburne

Cleaning Rota: Marion Fenemore and Lorraine Carter

The Benefice Choir

Meets once a week in Turweston at 7.30. We practice for an hour and a half with a break for coffee and chat. We rehearse hymns and anthems for the monthly service, and if we are asked to sing at a wedding we go through the music for that. We are a very friendly group, conducted by Ed Grimsdale and accompanied by Mike Tinsley. We would welcome newcomers – and as every choir is always short of basses and tenors you would be very welcome !

In the near future we have to look for a new conductor – do you know anybody who might like to take us on!

The Church will be open every day from Monday 1st April 10am – 5pm till the clocks go back in October.

Our Meeting on 11th June 2019

We had a very successful meeting. Thank you to everybody who came. I am very pleased to say that a team has been formed to ensure that the church is kept in good order inside and out for the future.

If you think you could help with the following please let me know:

We need somebody to run our fundraising committee
(do you have any ideas for fundraising?)

and somebody to run the cleaning the church team?

Thank you Lois HB

TINGEWICK WALKERS

The walk in May proved to be very green. It took place in the Stratton Audley, Bicester, area. Having parked the cars in the village, the walkers started out. The first point of interest was an old footpath sign attached to a gate and the second was a field larger than Tingewick to be crossed. Everywhere was lush and green with barley, fields and fields of it and surrounding the fields were grassy paths. Although these paths had been recently trimmed, they made the walking rather strenuous. Not that anybody was complaining, this was what walking was all about. There was hardly a building in sight during the course of an hour or so and certainly no people about. It was strange to be so near to a large town and feel you were in the middle of nowhere. Lunch was taken later at The Red Lion in Stratton Audley.

If you wish to take part in the walks, come along to the car park at Tingewick Village Hall on the last Tuesday of the month at 10am where you will meet up with other walkers. There are regular leaders who will inform you on the day which direction will be taken. If you have any queries, you can always ring Peter on 01280 848739 or Sara on 01280 847594.

Watch out for these FAKE TalkTalk emails about a refund

Action Fraud has received over 100 reports about fake emails purporting to be from TalkTalk. The emails state that the recipient's TalkTalk account is in credit and that they're owed a refund. The links in the emails lead to malicious websites.

Don't click on the links or attachments in suspicious emails, and never respond to messages that ask for your personal or financial details.

Online Vehicle Sales Alert - The National Fraud Intelligence Bureau

What you need to know:

Fraudsters have been advertising vehicles and machinery for sale on various online selling platforms, this includes vehicles and machinery used by the agricultural industry.

The victims, after communicating via email with the fraudster, will receive a bogus email which appears to be sent by a trustworthy third party, often PayPal or Escrow.

The emails are designed to persuade victims to pay upfront via bank transfer rather than through a protected payment method via the website. The victim pays the deposit before visiting the seller to collect the goods, believing there is a 'cooling off' period to reclaim the payment if they change their mind.

This gives victims the false sense of security that their money is being looked after by this trustworthy third party, when in fact, it is not and the money has gone straight to the fraudster.

It is vital that the public exercise caution when receiving emails or messages of this nature.

What you need to do:

- Never transfer money for a vehicle you haven't seen in person.
- Avoid paying for the vehicle by bank transfer as it offers you little protection if you become a victim of fraud. Instead, use a credit card or payment services such as PayPal.
- If you're purchasing from a company or person you don't know and trust, carry out some research first, or ask friends and family for advice before completing a purchase.

HMRC Alert

What you need to know:

- Action Fraud has experienced an increase in the reporting of malicious calls and voicemails, to members of the public purporting to be from Her Majesty's Revenue & Customs (HMRC).
- Fraudsters are spoofing genuine HMRC telephone numbers to deceive their victims over the phone. The fraudsters state that as a result of the victim's non-payment of tax or other duty, the victim is liable for prosecution or other legal proceedings in order to settle the balance. The fraudsters suggest victims can avoid this, by

arranging payment to be made immediately by methods such as bank transfer or by purchasing iTunes gift cards.

- If the victim is hesitant or refuses to comply, the suspect makes a threat such as immediate arrest, sending bailiffs to the victim's address or, in some cases, deportation.
- Often, the period for which the tax is allegedly due is distant enough to guarantee the victim will have little, if any, paperwork or ability to verify the claims. Once the money is paid the suspects sever all contact with the victim.
- In genuine cases, HMRC will initially make direct contact with you via post/letter and potentially follow up that letter with a phone call at a later date.
- If HMRC contact you via telephone they will quote the reference number on the initial letter you should have received. HMRC will not discuss something you are not already aware of, like a tax investigation, and will NOT demand immediate payment.

It is vital that the public exercise caution when receiving messages or telephone calls of this nature.

What you need to do:

- Always question unsolicited requests for your personal or financial information. Just because someone knows your basic details (such as your name and contact details), it doesn't mean they are genuine. Instead, contact the company directly using trusted methods such as a known email address or phone number.
- Legitimate organisations wouldn't ask you to pay taxes, bills or fees using an iTunes gift card, or any other type of voucher. If you're contacted by anyone that asks you to do this, you're likely the target of a scam
- Don't be rushed or pressured into making a decision. Under no circumstances would a genuine bank or some other trusted organisation force you to make a financial transaction on the spot.
- Report Phishing attempts. If you receive a call, text or email of this nature and have not lost money, you can report this as phishing to Action Fraud

News from Water Stratford - July/August 2019

ROGATION

The weather was ideal for our annual Rogation service and walk on 19th May. Starting in the churchyard, a group of adults, children and dogs sauntered to the back lane across fields that we probably hadn't traversed since Town Farm ceased to be a farm, thus saving a lot of road walking. There were still plenty of sheep around to give us puzzled stares and we obliged them with an appropriate Bible reading. On reaching the back lane the children collected sticks and distributed them amongst us, so that once we reached the bridge we were able to indulge in a game of Pooh Sticks – first for our walks. We returned the way we had come and, thanks to George and Nicky, ended our walk in their garden with delicious drinks and cakes.

Mike Edwards

GOODBYE AND THANK YOU REVD LIZ

Revd Liz's last service at St Giles will be on Sunday 21st July at 11.15am. This will be a Lammas service, celebrating the start of the harvest.

Liz has been a faithful friend to us for sixteen years, arriving in good time in all weathers to give us lovely services, and always ready to lend a hand where we fell short, whether by laying up the altar, taking minutes at PCC meeting providing music on her guitar. We will greatly miss her spiritual lead, her knowledge, wisdom, kindness and good humour. We are grateful for everything she has done here – more than any of us know, though churchwardens have some inkling. The fact that she has been looking after five other parishes at the same time is remarkable. We wish her much happiness, and continued fruitful ministry, in her new parish.

PARISH MEETING AGM

The meeting took place on 17th May at 8pm in The Old School, with the 2018-19 Committee Members, twenty-six other residents and County and District Councillors in attendance.

Councillor Fealey spoke about plans for a single unitary authority for Buckinghamshire: there will be a 147 member Council with 3 Councillors per ward. Efficiency should be increased by streamlining administration. Large developments are taking place around Buckingham. The preferred option for the East-West Expressway, passing near Winslow, will go out for consultation.

Councillor Clare reported that the drainage project on the Water Stratford to Tingewick road has reduced water runoff down the hill, so preventing damage to the road surface. Additional road markings have been put at Water Stratford crossroads. (The Committee has written to the Council about the dangers.) Resurfacing of Tingewick Road roundabout and Stowe Avenue are scheduled.

The Chairman said BT fibre has been extended to the bridge outside Water Stratford and to the crossroads and it should be brought into the village soon. The contribution to the maintenance of The Old School and grounds has been slightly increased; there was general agreement that the hall is a valuable social resource and the contribution is warranted. Speeding traffic through the village remains a problem: 30mph sticker signs for recycling bins will be investigated. The Clerk said that funding for a defibrillator is still being sought. Following the Treasurer's report it was agreed that contribution to the redecoration of The Old School was an acceptable use of funds. There were nine planning applications during the year; the Committee returned comments on one. The condition of the A422 into Buckingham has been improved. Potholes can be reported via the BCC website. Two residents are monitoring the condition of footpaths and contacting landowners over problems. Options for replacing the hedge outside The Old School were discussed.

A new committee was elected; Rob wished to stand down as Chairman, Brian as Treasurer and Chris from the Committee. At a subsequent meeting on 6th June responsibilities were allocated as follows: Chairman – Susan, Clerk – Martin, Treasurer – Dawn, Planning – Rachel, Roads/Environment – Rob, Member – Brian.

The variety and number of issues covered are a reminder of how much time and thought Committee members and Councillors give to this work, to the benefit of us all – so thank you.

CHURCH SERVICE AND ROTA

There will be a Lammas service on Sunday 21st July at 11.15am. Susan will arrange flowers and Jean and Suzanne will clean.
