

TINGEWICK AND DISTRICT NEWS

ISSUE 296 - AUGUST 2019

Your FREE Magazine

As we're into the school holidays, you might be looking for things to do with your children in the local area.

Play Around The Parishes visits Tingewick on the 14th of August and you can find out more information on page 19.

We also have some great local walks around the village and it's well worth a wander up to the woods to see the replanting efforts and some of the interesting buildings that still remain. We've republished a footpath map on page 23 so you know where you're allowed to walk.

Do you have some great fundraising ideas? If so then the church is looking for help running their fundraising committee - see page 11 for more details.

Finally, it seems that courtesy is being forgotten when it comes to the roads in Tingewick. There seems to be a lot of behaviour going on that is both rude and (in some cases) illegal. See page 3 for one villager's thoughts on the matter.

Letters To The Editor

Dear Editor,

Unusually for me, I felt I really had to comment on the 'Parking Reminder' in issue 295 of Tingewick News.

I have noticed an increasing disregard not just for the Highway Code, but all rules and legal requirement for using the public highway.

With particular reference to parking in Tingewick, the following Highway Code rules are regularly disregarded:

1. Rule 243, particularly NOT parking in front of an entrance to property, or on a bend
2. Rule 239 states vehicles are NOT to be parked facing against traffic flow
3. Rule 244 states vehicles MUST NOT park wholly or partially on the pavement.

I regularly see vehicles parked contrary to Rules 239 and 244, particularly in the side roads and closes in the village.

I realise most people only read the highway code in preparation for their driving test.

The code is updated regularly and drivers should also keep themselves up to date on a regular basis.

Another trait that seems to be on the increase is lack of correct signalling at roundabouts, particularly exiting a roundabout with the RIGHT indicator operating.

I would like to know if there are any IAM Roadsmart members in Tingewick who are part of the local MK group.

Regards

K E Nuttall

Editor's Response:

There does seem to be a lack of regard for the Highway Code (and common courtesy) at the moment when it comes to using the roads in Tingewick. If you don't have an up-to-date copy you can view the Highway Code online at:

<https://www.gov.uk/guidance/the-highway-code>

It may be good if we all reminded ourselves of the rules of the road.

THANK YOU

Tingewick Historical Society

Thank you to everyone to came to the Tingewick Historical Society Exhibition on Saturday 29th June. The exhibition launched our new booklet "**Tingewick's Survivors of the Great War**" – stories of over 140 service men and women from Tingewick who served in the Great War and returned at the end of the war. About 35 of the stories were on show at the event and despite extremely hot weather, we had a steady stream of visitors.

If you are interested in purchasing the booklet or would like any further details about the project, please contact Jane Bradford on 01280 848392 or email j.bradford834@btinternet.com

As you may have read in the June Link, our Rector Liz is leaving at the end of August. An Evening Worship with the choir will be held in Turweston Church and then afterwards, a farewell party will be held in Turweston Village Hall. We hope as many of you as possible will be able to come and to bid her farewell and to wish her luck in her new job in Adderbury. We will be organising a leaving gift and if you would like to donate to this, please let me have your donation by the end of July. For catering purposes please let me know whether you can come to the party. On behalf of Tingewick, we offer her our thanks for 16 years of dedicated service to our Benefice and we wish her all the best in her new role.

TINGEWICK WALKERS

It was raining when the walking group gathered together and there was hope that the rain would ease off. This was not to be the case and, in the end, the Tingewick Walkers became the “Tingewick Waders”. What a sorry bunch of drowned individuals they were at the end of the morning. The walk took place around Calverton, leaving from the Leg of Mutton pub along a road before turning off on to fields and footpaths. It was soon evident that the wet weather was there to stay, leaving some of the paths in a muddy state and making them quite a challenge to negotiate. There was one field containing lively cattle, who danced around the group, but the usual stalwarts were there to help guide everyone through and nothing untoward happened. Eventually the pub was reached, dripping clothes were abandoned or wrung out and a welcome meal was devoured.

The walkers meet on the last Tuesday of each month at the village hall car park at 10am. Newcomers are welcome. If you need know more, please ring Peter on 01280 848739 or Sara on 01280 847594.

"Quack, Quack!"

We hope you all enjoyed the wonderful Beer Festival last month, great weather for it!

We are really happy with the new babies we have on the pond, some of which have grown a lot already. Everyone is getting on very well and it's likely that we can expect some more babies with all this warmer weather we have had lately.

You may notice a bale of barley in the pond - this is to clean it up for us and is very welcome, thank you!

Apologies if you hear us making a lot of noise at night - this is often an indication that a fox is on the prowl for us. We are trying to alert each other in order to stay safe. The foxes seem pretty hungry at the moment!

Finally, thank you for all the contributions and the visits, which we really enjoy. Cox and Robinson of Buckingham have kindly donated a huge bag of food - thank you! And thank you to Nick at ACME who continues to help us with food, population control and any pests we need to be worried about. We haven't seen the rats for a while so think that problem has been sorted, fingers crossed.

See you all soon.

TINGEWICK PARISH COUNCIL

DRAFT Minutes of the Meeting of the Parish Council held on Thursday 4th July 2019 at 7.30pm.

Members of the Public in attendance: 2

Apologies: Cllr Patrick Fealey, Cllr Charlie Claire, Cllr Martin Hornsey and Cllr Pat Swinburne.

394 Declarations of Interest: Cllr Fenemore declared an interest in one of the planning items.

395 Minutes: To consider the approval of the minutes of the last meeting held on 02-05-2019.

Proposed: Cllr Lightfoot Seconded: Cllr Newman APPROVED

396 County Councillor's Report - Not in attendance.

397 District Councillor's Report - Not in attendance.

398 Matters Arising:

- *Item 262 – District Councillors Report, 20 mile per hour speed limit near the school.*

It was felt that the cost is too high and alternative signage will be explored.

MVAS statistics to be re-summarised as file too large to print or send, however the information about the flashing lights and battery life was obtained and circulated to councillors prior to the meeting.

Proposed: Cllr Lightfoot Seconded: Cllr MacGarvey Approved

- *Open Forum – December 2018: Pinch-Point*

It was suggested that instead of a new pinch-point being installed before Toll Gate Street (as entering the village) whether it would be possible to have a small roundabout instead (like the one near the pond) at the junction. Clerk has contacted BCC and is awaiting a response.

Clerk has spoken with BCC who advised that a roundabout would not be possible.

Cllr Newman and Cllr MacGarvey will raise the matter of the pinch-point at the Tingewick Park Residents Association meeting to gain their views on whether the pinch-point should be moved further toward the entrance of the Village or completely removed, as the residents turning out of Toll Gate Street will be affected by it.

- *Item 321 – Councillors Reports, Cllr Hornsey: School Playground wet-pour surface*

Small area believed to be weakened by a sunken tree root.

Clerk contacted Roundwood School to see if they can contribute to the cost of the repair.

Clerk has contacted Wickstead to book the playground inspections and will raise this with them to check the area and pass on their recommendation.

Roundwood School have advised that they are not in a position to contribute financially.

Clerk has asked Wickstead to include the area on their playground inspections which are scheduled to take place this week.

- *Item 356 – Councillors Reports, Cllr Newman: Gorrell Lane*

Posts supporting the retaining slabs are rotting and falling away.

Discussed in Open Forum; *Cllr Newman advised that she had a meeting with representatives from BCC, and it was agreed that BCC are taking responsibility for area where the supporting slabs are falling etc. they will make the area safe. There are no timescales for when this work will be done.*

One of the representatives from BCC looked into the land deeds and advised that the area between the footpath and the property fences is “no man’s land” as it is not listed as belonging to anyone.

It was agreed that Tingewick Parish Council will explore the possibility of having the trees in that area cut back or removed. Cllr Newman will follow up with Cllr Clare for more information as it is currently unclear what constitutes as dangerous? Cllr Newman will also ask the representative from BCC if they are able to attend the August TPC meeting to further explain the situation.

Cllr Newman will draft a letter to be distributed to home owners bordering Gorrell Lane to gauge their perspective on the Lane and the trees and if they would like the trees cut back or removed; their willingness or ability to contribute to the cost. It is hoped that BCC may also contribute.

Cllr Newman to source quotations from Tree Surgeons / Arborists so we have an idea of the cost.

- *Item 359: Maintenance Contract Tender*

The new contractor has commenced.

Cllr Lightfoot to purchase a gift for Mr Styles to thank him for his service to the community.

- *Bus Stop*

Cllr Lightfoot and Cllr Hornsey met with representatives from BCC who confirmed that planning permission is not required for a new bus stop to be installed along Main Street behind the houses on Buckingham Street.

Cllr Fenemore is still worried about vision splay when exiting Church Lane.

Second quote was obtained and was for approximately the same amount but did not include the additional concreting works. It was confirmed that the original location sourced for the bus stop will not pose any obstruction to the home owner's access to their gates and will not affect the vision splay at the Church Lane junction, though it was noted the hedge is currently quite overgrown. Cllr Lightfoot proposed that the TPC engage the BCC approved provider with the more comprehensive quote at £9,900. Seconded: Cllr Fenemore. Approved. Maintenance Contractor to be instructed to cut back the hedge to improve vision splay. Cllr Lightfoot to organise the installation of the bus shelter.

- *Fete Committee*

Clerk has drafted Committee Standing Orders and submitted to the committee, a response is awaited for the committee to decide whether they will remain a TPC committee or if they will become independent.

Fete Committee Meeting scheduled for Wednesday 24th July in the Village Hall at 7.30pm.

- *Item 372: Cut footpath sign.*

Cllr Hornsey confirmed that the sign has been secured to a fence but that the fence is wobbly.

Response received from BCC stating they have inspected the sign, it appears fine and is positioned correctly so there is no issue as far as they are concerned.

- *Item 373: TPC Banking and online transactions*

Agreed at April meeting that a new bank account be explored to enable electronic payments.

This has not yet been actioned due to not all the signatories being available to attend the bank.

Action: the signatories named on the mandate will agree a date to attend the branch.

- *Item 386: Planning*

Cllr Swinburne advised that a resident expressed concern about the demolition of the barn at Crawford Cottage as they believed it to be in the conservation area.

This was explored and it was agreed that no further action was required.

- *Item 388: Rec Ground*

Mr Fowler has asked if the Football Club can put some sort of container on the Rec Ground to store the team's gear – item to be carried over to the next meeting.

Cllr Fenemore proposed that TPC purchase the container as an asset for the rec ground.

Proposed: Cllr Fenemore Seconded: Cllr Maxwell Approved

Cllrs MacGarvey and Hornsey to source a container.

- *Item 391: Tingewick Park Street Lighting*

Email received from Bovis Homes Adoption Manager looking to progress the completion and adoption of the roads & footpaths.

BCC have stated that they do not wish to adopt the new street lighting on the development and that they believe Tingewick Parish Council would do so.

Cllr MacGarvey has requested information from the Tingewick Park Management Company.

Cllr Lightfoot to follow up with Bovis Homes as we have requested more information to assist the decision making process.

399 Planning;

19/02124/APP – TINGEWICK, Manorgrove Church Lane: Creation of a menage.

Cllr Fenemore declared an interest in this item and excused himself from the discussion.

NO OBJECTION

19/02341/APP – TINGEWICK, 18 The Maltings: Erection of first floor side and single storey front rear extensions with associated internal and external works.

NO OBJECTION

19/02348/APP – TINGEWICK, 13 Stowe View: Two storey side / rear extension and front porch.

Cllr Lightfoot noted that the extension takes the property flush to the neighbours' boundary and feels this could make access between front and rear gardens difficult.

NO OBJECTION

387 Accounts

a. To consider list of payments as presented to the meeting

Proposed: Cllr Fenemore Seconded: Cllr MacGarvey APPROVED

b. To consider Budget Report as presented to meeting

Proposed: Cllr Lightfoot Seconded: Cllr Newman APPROVED
