REMINDER: VOTING CHANGES IN 2023

Photo ID needed from May 2023 at Polling Stations

As part of recent changes to the law you will need to show photographic identification at the polling station before you can be issued with your ballot papers.

The voting process remains the same – all you need to remember is a form of accepted photo ID. You will only need to show one form of photo ID, but it must be the original and not a photocopy.

There are various forms of acceptable ID that include (but aren't limited to)

- Photo Driving Licence
- Passport
- Proof of Age (PASS) card
- EEA State ID
- Certain bus passes/travel card (mainly over 60s)
- Blue badge

You can view a full list of acceptable identification at

<https://www.gov.uk/how-to-vote/photo-id-youll-need>

Voting by mail is not affected, but if you choose to use a proxy vote then the person voting on your behalf must have an accepted form of ID with them.

If you do not have ID that will be accepted, you can apply for a “Voter Authority Certificate”. You will need a recent digital photo of yourself and your National Insurance number (or other documents if you don't have this to hand). You can apply for this at

<https://www.gov.uk/apply-for-photo-id-voter-authority-certificate>

Pond News

Just to announce that we are fundraising to refurbish Townsend Pond in our village. In the summer of 2022 it became very evident that the pond was badly silted up.

To date we have received donations to the value of £825 for which we wish to convey our thanks, however we still have a mountain to climb as this will cost thousands of pounds alone, our initial target is to raise £15,000. It has become clear in obtaining quotes however that the pond liner also needs replacing and to keep the water quality healthy going forward we also need to plant the pond.

We have a long way to go and this is going to take some time, many of us though feel that the pond is a real visual and environmental asset to our village and we would love it to be a real wildlife haven for all to visit and enjoy. We do not want Townsend Pond to fade away

If you would like to donate the link below will take you to the gofundmepage

<https://gofund.me/282355dc>

We would also like to appeal to those that generously feed our local wild duck population at the pond.

Why You Should Not Feed Ducks

The Problems with feeding ducks

Feeding ducks can lead to the following problems

- Overcrowding – where food is easy to come by, ducks and other waterfowl will lay more eggs and the pond will become overcrowded. This makes it more difficult for the birds to seek out healthier food sources and increases territorial aggression, especially during mating season. It will cause ducks to cross busy streets in search of food.
- Pollution – What happens to all the food that is not eaten? It causes algae growth, pollution, and can eventually eradicate fish and other life in the vicinity.
- Diseases – A diet rich in carbohydrates leads to greater faecal production and bird faeces easily harbour bacteria responsible for numerous diseases including avian botulism.
- Attraction of pests – Rotting leftover food attracts other unwelcome pests such as rats, mice and insects. These pests can also harbour additional diseases that can be dangerous to humans.

Whilst our aim is to educate and inform as we cannot prohibit people from feeding the ducks if they wish, but please only feed as much as they will immediately eat as leaving food does not create a pleasant environment for others to visit and enjoy.

THE TRAVEL DIRECTORS

Jo Scurr, Linda Morris and Kelly White are the Travel Directors, your local travel experts

We all live with our families in Oxfordshire and Buckinghamshire and have between us more than 85 years of Travel Industry experience. For the last 10 years we have all worked for leading luxury long haul tour operators and have been lucky enough to have experienced first-hand the most amazing destinations across the globe. We can of course also help with a European trip or even some innovative UK holidays. Our ethos for setting up our own business as The Travel Directors was that we felt there is a genuine gap in the market for a local Travel Company that not only has a wealth of knowledge, a love of travel but also a genuine passion for great customer service. So out of this: Jo, Linda and Kelly as The Travel Directors was born.

The Travel Directors can offer you everything from Luxury Long Haul Travel, City Breaks, Cruise, Weddings, The Ultimate Florida Holiday to European Beach Holidays and Original UK holidays

We are fully ABTA bonded and ATOL protected meaning your money is 100% safe

Why would you risk your money booking online, trawling through endless websites where you cannot speak to a person and are just a number or a seat on a plane. Even with a High Street agency, you will see directional selling, promoting their own products rather than what is best for you. We are truly independent but with the financial backing and buying power of the Mid-Counties Co-operative meaning that we have access to the best rates from only trusted suppliers.
