## Crafty Church

Crafty Church is still taking place in church on the third Sunday of the month, from 2.30pm to 4.00pm, with a seasonal theme each month. The dates for the next three months are March 19<sup>th</sup>, April 16<sup>th</sup> and May 21<sup>st</sup>.

Everyone from the village, both young and old, is welcome to come along and try their hand at a variety of different craft projects. There are plenty of crafty items supplied, or feel free to bring your own things to work on, in company, with refreshments. There are toys available for the younger children so they can join in as well.

## Great news, hot off the press – and well deserved!

Our local Bishop of Oxford, Bishop Steven, has put forward Anthony Houghton-Brown to receive the Maundy Purse. This will take place in York this year, on Maundy Thursday, 6<sup>th</sup> April. Anthony was nominated by the local community for all his generous service, thank you Anthony. We look forward to hearing how it went in the next Tingewick News!

## Church Opening

Our lovely church will open at weekends only during the winter months from 10am to 4pm, for quiet reflection and private prayer, or just for a wander around the church and churchyard. The doors will be open during the week from 27<sup>th</sup> March.

## Food Bank

Your generous donations for the Food Bank continue to amaze us. Our boxes are still in the church porch and all donations of non-perishable goods are always gratefully received. Please help us to help those around us who rely on this valuable resource.

# Memories Of Tingewick Pond

Reading the article in January's 2023 Tingewick News regarding the formation of the action group to bring the Tingewick Pond back to an established healthy pond, brings back pleasant memories.

My name is Ron Clark. I lived on Main Street for 10 years, leaving in 2000, and during that time, I was Chairman of the Parish Council for 8 years.

In the early 1990's a gentleman named John Farrell, who also lived on Main Street, led a team of willing helpers, namely, Dave Jeffkins, Barry Jones and Jim Green to sort out the dormant pond at the west end of the Main Street known as "Townsend Pond." A plan was devised to use a vermiculite based compound manufactured in Milton Keynes and to pummel it into the hollow where the pond used to be, using an army of people in wellies and a herd of cows loaned by a local farmer. This would form a layer at the base of the hollow that would retain water, thus forming a pond.

The first task was to raise funds for the compound mixture. This started the "First Sponsored Tingewick Piano Smash." The rules were quite basic without much concern to method statements or health and safety. Within the confines of the Crown car park a group of able willing men using sledge hammers, crow bars and saws would smash up a complete working piano. (We knew it worked because John played it before the action started.) The bits of the piano then had then to be passed through a letter box, even the dust had to go through, before the piano was declared completely broken. The time this took was closely monitored, the time was then used for the sponsorship winner to be declared.

As you can imagine there were cuts and bruises, but a good time was had by all and a considerable amount of ale was drunk.

Whilst a good sum of money was raised it was not enough for all purchases to be made. After much thought the "Second Sponsored Tingewick Piano Smash" was conceived. This was based on the same rules as the first piano smash, but with a twist! Ladies would challenge Men. A handicap was conceived that being that the men would have to pick up their piano from the Royal Oak car park and get it to the Crown car park, but the ladies could start their smash in the Crown car park at the same time the men picked up their piano from the Royal Oak car park.

A lot of planning was required since the bypass was not in place at that time, but true to Tingewick tradition a good time was had by all.

However, when the work was completed, the pond still did not hold water completely, so it was decided to wait and see what the elements would do over a few months. Coincidentally communication was received by the Parish Council from a landscaping company that wished to establish itself in Buckinghamshire.

Consultations began with Buckinghamshire County Council, people of the village and this landscaping company. The end result was that the landscaping company would line our pond for free, Buckinghamshire County Council would monitor the progress and if successful would add the landscaping company to their list of landscaping suppliers bidding for future projects.

The work commenced and with the rescheduled training area one weekend for Buckingham Fire Brigade the pond again began its life to this day, some 30 years later.

-Ron Clark

# THE TRAVEL DIRECTORS

**Jo Scurr, Linda Morris and Kelly White are the Travel Directors, your local travel experts**

We all live with our families in Oxfordshire and Buckinghamshire and have between us more than 85 years of Travel Industry experience. For the last 10 years we have all worked for leading luxury long haul tour operators and have been lucky enough to have experienced first-hand the most amazing destinations across the globe. We can of course also help with a European trip or even some innovative UK holidays. Our ethos for setting up our own business as The Travel Directors was that we felt there is a genuine gap in the market for a local Travel Company that not only has a wealth of knowledge, a love of travel but also a genuine passion for great customer service. So out of this: Jo, Linda and Kelly as The Travel Directors was born.

**The Travel Directors can offer you everything from Luxury Long Haul Travel, City Breaks, Cruise, Weddings, The Ultimate Florida Holiday to European Beach Holidays and Original UK holidays**

**We are fully ABTA bonded and ATOL protected meaning your money is 100% safe**

Why would you risk your money booking online, trawling through endless websites where you cannot speak to a person and are just a number or a seat on a plane. Even with a High Street agency, you will see directional selling, promoting their own products rather than what is best for you. We are truly independent but with the financial backing and buying power of the Mid-Counties Co-operative meaning that we have access to the best rates from only trusted suppliers.
